## WITH THE GREAT WAR VETERANS

Items of Interest to Returned Soldiers Will Be  
Printed in This Column if Phoned or Sent-In.ST. ANDREW'S HOLD  
BIG FIELD DAYPatients, Attendants and  
Their Friends Hold Pleas-  
ing Entertainment.A monster field day for the hospital  
patients and personnel of the St.  
Andrew's Military Hospital was held  
yesterday, and proved a great suc-  
cess.The events, which started at 10.30  
in the morning, were open to patients  
and personnel of all Toronto military  
hospitals. The big athletic field was  
divided into two fields by the big  
tent of the Y. M. C. A. where tea,  
coffee, sandwiches, ice cream, orange-  
ade, cigars, etc., were given out  
free to all patients and their friends.  
Mrs. T. A. Brown, who was in charge,  
and a staff of fifty helpers, received  
many compliments on their good  
work in the tent.On one side of the tent a football  
game was in progress, while on the  
other side the races, games and a ball  
game were going on.The sports, which were in charge  
of Capt. G. A. Smith, were run off  
well and quickly.The baseball match scheduled for  
10.30 a.m., between the one-armed  
team, D. O. H., and St. Andrews, did  
not come off, not enough men being  
available.The band of the Canadian Garrison  
Regiment supplied the music, which  
helped to liven things up between  
events.After supper an enjoyable program  
was presented by the Y. M. C. A. good  
talent being a feature. Songs, move-  
ies, modern magic, etc., making up the  
bill.During the entertainment the prizes  
for the sports were given out. These  
prizes were donated by the Citizens'  
Reparation League.Then came the dance out in the  
open on the grass. Nearly 3000 pa-  
tients and their friends limbered up  
and enjoyed the excellent dance music.GREAT WAR VETERANS  
WANT EXPLANATIONCentral G.W.V.A. is much disgusted  
with the administration of the war  
surplus stores, recently advertised by  
the militia as at the service of re-  
turned soldiers and their families.  
Comrade Brookbank stated yesterday  
that the stand taken by those assumed  
to be in charge of these stores was  
strange to say the least. "When we  
went in our first cheque, which was  
for \$300, it was returned with the in-  
formation that the required articles  
were not in stock, and that it would  
be advisable to send in another cheque  
with a new list of articles required.  
This was done and still the cheque  
was returned. This has happened four  
different times," said Comrade Brook-  
bank. "We have decided to request  
investigation into the causes leading  
up to the return of our cheques."  
"Imagine our comrades and their  
families sending us money for various  
commodities, and then those people at  
Ottawa having the cheek to return the  
cheques after all the trouble we went  
to in order to obtain the lists of needed  
articles," said the secretary. "Where  
did all the huge surplus stocks go?  
so suddenly? That is a question  
which we shall prosecute to the limit."

## RECORDS GALORE

Purdale G.W.V.A. now has 2,300  
members, and has taken in more than  
two hundred members during the past  
month. This record is surpassed by  
that of Riverdale G.W.V.A., which  
has 4,500. Three hundred have joined  
up during the past thirty days.

## APPROVED SERVICE OVERSEAS

Veterans generally are discussing  
the clause in the new military orders  
sanctioning the award of the war  
service ribbon, which qualifies condi-  
tions of receipt in the statement, "And  
who between these dates (August 4,  
1914, and November 11, 1918), whilst  
belonging to the Y. M. C. A., rendered  
approved service overseas."  
"Well, that cert is a rummy one,"  
wittily commented one man who had  
served three years at the front. "Won-  
der if that includes my distinguished  
services? I didn't get any Croix de  
Guerre or Military Cross, but I did  
get a Y. M. C. A. anything like that. Wish  
I had. How in blazes are they going  
to judge as to two approved services  
in my case? Sure I did my little bit,  
but only signs are two little blights  
in the legs. I got it. Them fellows  
who can show a couple or so of  
wounds on the legs or arms or any-  
where so you can see it, will be ap-  
proved."Others interviewed were not so sure  
of this fact. Some were of the opin-  
ion that service in France or Britain  
or Mesopotamia was all that was re-  
quired to win kindly approval in this  
connection. All were of one opinion  
as to the colors of the ribbon. They  
were stated to be vivid.

## NO REFERENDUM?

It transpires that no referendum  
will be taken of the membership of  
the Great War Veterans relative to  
the advisability of voting on the open-  
door policy of membership. This is  
still a debatable point, but indications  
are that the Dominion executive will  
decide to defer consideration of the  
matter for another year.Comrade Brookbank, secretary of  
Central G. W. V. A., stated last night  
that he was understanding of the resolu-  
tion was that the question should re-  
main in abeyance for at least a year,  
but that if the Dominion executive  
saw fit to call a referendum, a refer-  
endum vote to be taken.MURINE'S

## ENDORSED LIBERTY LEAGUE.

Naval veterans last night, at a well-  
attended meeting held at 80 E. Hall,  
Bert street, heartily endorsed the  
principles of the Citizens' Liberty League.  
They also decided to consolidate their  
votes, so that when important political,  
municipal or other topical matters came up  
for treatment, a vote should be taken by  
the association to decide as to the senti-  
ments of the majority. If the sentiments  
were for or against any set policy, every  
member, irrespective of his personal senti-  
ments, would vote with the majority.  
In this way the vote of all the members  
would be tabulated as one vote; that is  
to say, if the N.V.A. vote for beer and  
light wine, this would include the vote  
of every member en bloc.

## BROCHURE ON CONVENTION.

Comrade B. P. Brookbank has al-  
most completed his brochure upon the  
recent Vancouver convention, and  
hopes to have it ready for the mem-  
bers of the branch by Monday even-  
ing. Copies will be sent to those who  
desire them. It is an interesting  
summary of the chief matters taken  
up at that historic occasion.

## ORGANIZATION PROGRESSING.

Organization of the Grand Army of  
Canada is proceeding at a rapid  
pace, according to the latest advices  
received. It was stated last night  
that ten posts were in process of or-  
ganization, and that they would be  
complete within the next few days.  
All of them have as yet only provi-  
sional officers, and within the next  
week they will all elect permanent of-  
ficials.

## SOLDIER'S INSURANCE.

The application of William Wilkin-  
son that the city pay the insurance of  
his son, Pte. John Wilkinson, killed in  
action, was referred back for report  
yesterday by the board of control.  
Pte. Wilkinson enlisted at the age of  
18 and was discharged on account of  
being under age. He joined up again  
after the M. S. A. was in force.Purdale G.W.V.A. band, under the  
eye of Bandmaster Ayling, will take a  
trip to Aurora where they will be  
guests of the mayor of the town. This  
is a special invitation, and will be  
thoroughly appreciated by the members  
of the association.Lieut.-Col. C. C. Harbottle, D.S.O.,  
president of the 75th Association, had  
called a meeting of all officers who  
have ever been connected with the  
75th Battalion. This will be held at  
the new club house, 257 Shaw street,  
at 8 p.m. on Monday next, August 11.The moonlight excursion which is  
being held by the 75th Battalion As-  
sociation on Tuesday evening, August  
12, will be a huge success. Members  
from all parts of Ontario will be  
present.TWO BOYS HELD  
FOR MOTOR THEFTAre Only in Their Teens, and  
Also Face Housebreak-  
ing Charge.On charges of housebreaking and  
theft of a motor car, Harry Hiltz and  
Robert Whitley, aged 19 and 20 years,  
respectively, of 60 Givens street, were  
arrested in a house on Mackenzie ave-  
nue yesterday afternoon. The police  
allege that the youths had climbed in  
a rear window of the home of R. G.  
Kilgour, 2 Mackenzie avenue, and were  
in the house when captured.At 11 o'clock in the morning, G.  
Richardson, 1737 Dufferin street, re-  
ported his car stolen from the city hall  
yard. The number of the car was  
given to all of the police divisions, and  
while driving along Mackenzie avenue  
yesterday afternoon at 2.30 in a police  
car, Sergeant Macdonald and a police-  
man spotted the stolen car parked at the  
corner of Mackenzie and Dale ave-  
nues.Egan took the switch key out of  
the police car and walking over to the  
stolen one, removed the key from it,  
making it impossible for the thieves  
to start it. Egan then hid the extra  
key in his pockets. Further develop-  
ments took the police to the Kilgour  
house. Murray found a rear win-  
dow open and climbing thru saw the  
boys. He ran after them and they ran  
out the front door and into the  
arms of Egan.They were held on charges of theft  
of the motor car. When the detectives  
searched their rooms they found, it is  
alleged, a quantity of stolen goods  
last week from a house at 210 Ingle-  
wood drive. The linen was identified  
as a pillowcase, last night, and a second  
charge of housebreaking will be made  
against both prisoners in police court  
this morning.ROMANIAN DEMANDS  
ARE FAR TOO GREAT

(Continued From Page 1).

The allies when they induced them on  
August 1 to establish a new govern-  
ment.The ultimatum stated that if the  
Hungarians refused to accept the  
terms laid down by the Rumanian  
would take possession of all material  
and animals required to repair the  
damages inflicted by the enemy upon  
Rumania. The Rumanians demand  
the reduction of the Hungarian army  
to 15,000 men and the surrender of  
fifty per cent. of the harvest animals  
and farm machinery and fifty per  
cent. of the railway supplies.The ultimatum also demands a  
large proportion of the Danube ship-  
ping and equipment and supplies for  
an army of 300,000 men, together with  
ration for the Rumanian forces  
pending a peace settlement.

## Given Till August 15?

London, Aug. 6.—A German govern-  
ment wireless dispatch, giving the  
beside of the Rumanian ultimatum to  
Hungary, says that notification of  
acceptance of the conditions must be  
given not later than August 15.

Text of Ultimatum.

The text of the ultimatum reads as  
follows:"The Rumanian supreme command  
makes the following conditions upon  
which it will accept the cessation of  
hostilities requested by the Hungarian  
government:"The Rumanian supreme command  
will give up the occupation of all of  
Hungary if the Hungarian supreme  
command agrees to deliver all material  
of war of every kind which remains  
in possession of the Hungarian troops  
and state, excepting material con-  
sidered necessary to armed forces,  
which Hungary will have the right to  
maintain to keep order in the in-  
terior until the ratification of peace  
with Rumania. The strength of these  
forces will, under no circumstances,  
be more than 15,000 officers including  
"The Hungarian supreme command  
must also deliver the factories now  
existing in Hungary, which have been  
used for the fabrication of munitions  
of war. Their dismantling for the  
benefit of Rumania will be carried out  
by Rumanian specialists without the  
aid of Hungarian officers."Equipment of all kinds needed for  
an army of 300,000 men must be  
handed over along with the follow-  
ing: Fifty per cent. of all rolling stock  
which still belongs to Hungary, ac-  
cording to the records of the Hun-  
garian state; fifty per cent. of all the  
machinery and material which exists  
in Hungary, and is used for the con-  
struction, maintenance and repairs of  
rolling stock; 200 touring cars; 400  
motor trucks in good condition; their  
accessories; thirty per cent. of all  
live-stock animals of all kinds, of  
which exist at present, according to  
the records in Hungary; 20,000 car-  
loads of wheat, 10,000 carloads of  
corn, 5,000 carloads of barley and fod-  
der, 20 per cent. of all agricultural  
machinery of every kind now exist-  
ing in Hungary; all floating material of  
all kinds, which belongs to the Hun-  
garian state or to Rumanian com-  
panies or citizens taken away from  
Rumania by the enemy and now in  
Hungary; 50 per cent. of all  
floating material of every kind belong-  
ing to the Hungarian state; all Hun-  
garian prisoners and hostages, and  
being under age. He joined up again  
after the M. S. A. was in force.Must Keep Rumanian Soldiers.  
For the purpose of delivering these  
articles to Rumania, the soldiers must  
be unable to quit their land be-  
cause they were kept mobilized to  
guarantee the safety of the state  
against those who might procure  
the arms necessary for the Hun-  
garian state, and because they  
lacked the necessary means, which was  
taken from them by the enemy, the  
Hungarian supreme command agrees  
to maintain, at the expense of the  
Hungarian state, during the entire  
period which the Rumanian troops oc-  
cupy Hungarian territory west of the  
Tisza (Thekes) River, all the royal  
Rumanian forces which were in these  
regions at the time of the signing of  
the present agreement, and to procure  
the coal necessary for the circulation  
required by Rumanian military neces-  
sity in the region west of the Tisza.The royal Rumanian army will not  
be withdrawn to the east of the Tisza  
until the supreme Hungarian com-  
mander has carried out the conditions  
imposed in paragraph 1 (for the de-  
livery of war material).  
After minor details covering the de-  
livery of material and animals, the  
ultimatum provides:Will Establish Mission.  
"For the supervision and execution  
of this agreement a Rumanian mis-  
sion will be established in Budapest.  
This mission will operate until the  
ratification of peace between Rumania  
and Hungary, by legally constituted  
Hungarian authorities. The mission  
will enjoy all diplomatic privileges and  
the immunity granted by civilized na-  
tions.The present demand must be ac-  
cepted or rejected in its entirety, and  
sequentially counter-proposals will not be  
received. The time for reply expires  
at 10 p.m. August 5.In case these conditions are not  
acceptable, the Rumanian supreme  
command will remove from Hungary  
without regard to proportion, material  
and animals which may be necessary  
to Rumania to repair, at least in part,  
the sad devastations wrought by the  
enemy who, during the time of his  
occupation and on the occasion of the  
peace of Bucharest, never knew the  
meaning of humanitarian sentiments."The ultimatum also demands a  
large proportion of the Danube ship-  
ping and equipment and supplies for  
an army of 300,000 men, together with  
ration for the Rumanian forces

AND MUSICJust two more weeks remain of the  
presence at the Royal Alexandra  
Theatre of Edward H. Robins and  
his players. These two weeks will be  
devoted to producing a brand new  
comedy, the property of the master  
director of the American stage, David  
Belasco: "Call the Doctor," which  
will take place positively next week,  
commencing Monday evening, with  
matinees as usual on Wednesday and  
Saturday, and for his closing week  
the latest of the William Collier com-  
edies, "Nothing But Lies."The new comedy, "Call the Doctor,"  
will positively be produced for the first  
time on any stage in the world at the  
Royal Alexandra, and the honor of  
producing it will fall to Edward H.  
Robins, while the members of the  
Robins players will have the distinc-  
tion of creating the distinctive roles of  
the play, Jean Archibald, the autho-  
ress, has been in Toronto for the past  
week and a half lending assistance to  
Mr. Robins in the broad directing of  
the comedy. David Belasco will ar-  
rive in Toronto during the latter part  
of the week and will assume full  
charge of the company during the  
final rehearsals and all next week  
while the comedy is being played.

"Nothing But Lies."

For the closing week of his season  
at the Royal Alexandra Theatre, Ed-  
ward H. Robins and his players will  
present for the first time in Canada,  
William Collier's present season's suc-  
cess, "Nothing But Lies." This com-  
edy is a worthy successor to his other  
famous play, "Nothing But the Truth."  
Seats for all performances will be  
placed on sale at the theatre box of-  
fice next Thursday morning. Matinees  
will be as usual on Wednesday and  
Saturday.

"Chu Chin Chow" Coming.

"Chu Chin Chow," the big musical  
"ravage" of the Orient, which has  
been the sensation of the theatrical  
world the past two seasons, under the  
management of F. Ray Comstock and  
Morris West, comes to the Royal  
Alexandra next commencing August  
25.

"Mickey" to Continue.

"Mickey" is still playing to capacity  
at the Grand Opera House, notwith-  
standing the fact that it has been run-  
ning ten weeks. The demand continues  
so heavy that it has been decided to  
further extend the engagement and,  
commencing with matinees on Mon-  
day next, this remarkable picture will  
enter upon its eleventh week. The  
lengthy engagement and the liberal  
patronage places "Mickey" high up as  
the list of attractive offerings. It has  
established a record for amusements  
in Canada and one that has seldom  
been equaled even in the largest cities  
of the United States. "Mickey" has  
merited a delightfully fascinating story,  
rich in comedy and exciting in inci-  
dent. During the day at the Grand  
Opera House will be given every day.

The Hippodrome Bill.

Frank Keenan, the popular Pathe  
star, will head the bill at Shea's Hip-  
podrome next week in his latest re-  
vues, "The Music Man." The picture  
tells the story of political grafters,  
unscrupulous crooks and the battle of  
right against might. It has many  
thrilling moments. A pretentious elec-  
tricity play, "The Girl in the  
Moon," the act which heads the vaude-  
ville bill, while Mrs. Eva Fay, the high  
priestess of mystery, has a sensa-  
tional offering dealing in mysteri-  
ous, "Mystery and Mobs," in songs and  
dances; Annette and Morrell, in com-  
edy, novelty and song; the Dancing  
Trio, in new dance songs; and  
Browning, the society entertainer;  
Dixon, Bowers and Dixon, rustic com-  
edians; Belle Meyers, in comic songs  
and dances; a Harrod Lloyd and  
"Lucky 13" Sunshine comedy complete  
the bill.

Shea's Opens Next Week.

The usual all-star bill which always  
marks the reopening of Shea's Theatre  
for the season, will be given at the  
theatre for the first time in the new  
arranged for next week, when the popu-  
lar-Victoria street vaudeville house  
opens its doors for the ensuing season.  
The first act on the program will be  
the famous Russian dancing troupe of  
Ivan Bankoff, in his classic dance of-  
fering, "The Dancing Master." A novel  
sketch is that presented by William  
B. Friddleland, entitled "Indoor  
Sports." It reveals the methods made  
adopt to make youths "pop the ques-  
tion." Dolly King is known the world  
over as "The Daughter of Syncope-  
tion," and her new songs, dances and  
gowns will be appreciated. Boyle and  
Brazil are newcomers to Shea's with  
a snappy dancing act, "The Girl in  
the Moon," and her new songs, dances  
and gowns will be appreciated. Boyle

At Loew's Next Week.

In "An Innocent Adventurer," which  
comes to Loew's Theatre and Winter  
Garden next week, Dainty Vivian Mar-  
tini, said, scores an artistic tri-  
umph in her characterization of  
"Lindy," a sweet, unsophisticated little  
girl, who has been brought up never  
to commit a wrong or tell a lie. A de-  
lightful romance is woven into the  
story, and is handled by Miss Martini  
in a charming and artistic manner.  
Harry Brooks & Co. in a delightful  
character comedy playlet, "The Old  
Minstrel Man," head the vaudeville.  
A real darktown frolic will be offered  
by the Exposition Jubilee Band, ex-  
ponents of harmony. Lillian Calver,  
"The Quaker Girl," offering select and  
popular songs; Cowboy Williams and  
his team, in a snappy dancing act, and  
some western wild dances; the Five  
Avalons, the wire walking wonders,  
offering difficult feats on the double  
wire; Flunkett and Sates, in a revue  
of songs and dances; Loew's British-  
Canadian Weekly, and the "Mutt and  
Jeff" animated cartoons, complete the  
bill.

At the Allen Theatre.

"Thru the Wrong Door" is playing  
to capacity houses at the Allen this  
week, and the excellent feature which  
is being presented is the large  
crowds. Light, gay and amusing,  
"Thru the Wrong Door" is frankly  
composed and produced to chase dull  
crowds away from the theatre. Inter-  
preted by Madge Kennedy and the  
cast in general that the effect is a  
very pleasing one. A little com-  
edy, "The Shumming Hero," is de-  
lightfully funny. The Canadian Na-  
tional Weekly contains pictures of  
timely interest to Canadian readers.  
The peace treaty at Versailles. Outing  
Chester, Pictorial Life and British  
Weekly conclude the film program. The
