T. EATON CO. GANADA'S GREATEST STORE

A Big Scoon in Men's Collars.

Conditions were all in our favor when we made the deal for these Men's Collars. An American manufacturer, finding himself overstocked at this particular time comes to us for relief. On account of the war scare he thought Canadian cash was worth more to him than the war scare he thought Canadian cash was worth more to him than the war scare he thought Canadian cash was worth more to him than the war scare he thought Canadian cash was worth more to him than the war scare he thought Canadian cash was worth more to him than the war scare he thought Canadian cash was worth more to him than the war scare he thought Canadian cash was worth more to him than the war scare he thought Canadian cash was worth more to him than the war scare he thought Canadian cash was worth more to him than the war scare he thought Canadian cash was worth more to him than the war scare he thought Canadian cash was worth more to him than the war scare he was the war scare he was worth more to him than the war scare he was worth more to him than the war scare he was worth more to him than the war scare he was worth more to him than the war was worth more to him than the war was worth was worth more to him than the war was worth the war scare he thought Canadian cash was worth more to him than American collars. We found that the goods were worthy; we made him an offer; he accepted it. To-morrow (Saturday) morning we'll have the lot ready for selling, when you can buy

Board of Coutrol to-day. One thing is certain, and that its that His Worship remands that they have the short in the decided to temporarily suspend the duties on wheat coming into those countries. Russia, which is a large wheat-exporting country, has forbidden the export of wheat. British ships sent there for wheat cannot secure a carpy 200 pounds as ample. His suggestion is to put in three elevators of coologo. There is almost a world-wide shortage of wheat. The United States is all present the only source of Great Britain at the present moment? The latter or to negative with the Sprague Co, who offered last year five electrical elevators for less than the \$830,000 appropriated for the purpose.

But you must take at least one dozen of them if you want them at might be starved into submission within prlated for the purpose.

in quick time. Come early.

Men's Boots

We have bought the sample boots used by J. D. King & Co.'s travelers on Sample the road. That means, of course, the finest and best goods of their respective lines, for manufacturers are very particular about the

samples they take orders from. We bought them cheap, so cheap that we can afford to sell a \$3 boot. a \$4 boot. or even a \$5 boot. for \$2. On Saturday morning we are going to sell \$00 pairs, all size 7. at this price.

500 Sample Pairs of Men's Boots, all size 7, in laced or elastic side, in all the newest and latest shapes and styles, with pointed, medium or wide toes, Goodyear welt, sewn soles, in choicest leathers, incolored kid, black French calf, willow and Russia

WILL DRYDEN STAY.

Agriculturists Who Hope He May Continue to Discharge the Butles of Munister of Agriculture.

It is generally understood around the Parliament Bulldings that the Government is bent on retaining the services of Hon. John Dryden as Minister of Agriculture, Severall constituences, considered safe, have been offered him, but so far Mr. Dryden holds to his off-expressed opinion: "When the farmers of Ontario require my services no longer I will drop out of politics." It is though that Mr. Dryden himself, would prefer to redeem South Ontario though the Constructive of Constructive filling with a Roman Catholic balance of power, requiring much attention from the Minister, it would be conductive to the best interests of the province to let Mr. Dryden represent a constituency that would not need much watching and thus leave him free to work watching and thus leave him free himself which the farmers, both Considered safe, while developed from a letter, dated April 27 and slighed by John I, Hobson, P

2100 Dozen Men's Linen Collars, the "Barker Brand," and the possibility is not very pleasant to contemplate, but it should not be disregarded. The alarming conditions which exist to-day in regard to wheat ought so set the states men of Great Britain a-thinking. Surely the time has come for seriously considering the advisability of making the empire self-contained in the matter of food supplies. This defect in the Imperial armanent can easily be remedied to be draft a bylaw regulating the rentals of public halls in accordance with the policy agreed upon by the committee. The Property Committee vesterday afternon dealt with a number of minor matter to contemplate, but it should not be disregarded. The alarming conditions which exist to-day in the store of the property Committee vesterday afternon dealt with a number of minor material property content in the United Kingdom. The possibility of the store of the property Committee vesterday afterno

These we have grouped together for a quick clearance on Saturday morning. This is the interesting story:

85 Youths' Suits (with long pants), Single breasted sacque style, made of fine imported navy blue and black worsted serges, black Venetian finished worsteds, brown Scotch tweeds, and Oxford grey west of England worsteds.

186 Youths' Suits (with long pants), Single breasted sacque style, made of fine imported navy blue and black worsted serges, black Venetian finished worsteds, brown Scotch tweeds, and Oxford grey west of England worsteds.

187 Youths' Suits (with long pants), Single breasted blood and hereafter there will be no restraining it. It has suddenly acquired a thirst for empire. A few days ago the policy of the United States was to limit its sway to the solid block of territory which is known as the United States of America. To-day its tentacles are reaching out for new territory across two oceans. And these tentacles are reaching out for new territory across two oceans. And these tentacles will hold with an iron grasp west of England worsteds, finished with single and west of England worsteds, everything that comes within their reach. finished with single and double stitched edges, a violence that surprises even the lined with best Italian Americans themselves. At first it was cloth, well made and neat-suggested that the Philippine Islands the city to remove the objectionable fence may be a supply the company of the city to remove the objectionable fence around the old U.C.C. grounds. The beginned to the jingoes, but emanates from the popular sentinent is not course do not stop here. They fairly

"We should do the same thing with the Canaries, unless Spain comes to her senses in a very short time. There will be fighting in Spain itself very soon, and meanwhile we can take possession of the Canaries with greater ease than we can the Philippines. Imagine the effect upon our foreign relations the possession of the Canaries would have. Backed by strong fortifications and a good fleet, the European powers would be as respectful and polite as they usually are to England.

"This war ought to be made an object lesson on both sides of the Atlantic. We should take the lesson to heart and build a navy and increase our army and coast defences.

"I hope our Government will remember that Spain has two groups of islands in the Pacific, the Ladrones and the Carolines. These, with Hawaii, will give us a splendid line of coaling stations across the Pacific.

of coaling stations across the Pa-cific. This war ought to do away with any doubt with regard to the value of such stations."

This is truly a great bill of fare. It ought to satisfy the most ravenous TORONTO. It ought to satisfy the most ravellose. If the Jingo Statesians can swallow all this at one meal what an appetite they

TWO CANADIANS KILLED.

Schoolhouse and formed a Young People's Association. Rev. J. M. Ballard presided and the following officers were elected for the ensuing year: Honorary presidents, Rev. J. M. Ballard and Rev. G. F. Davidson; ont., May 5.—The report of the break-up of the Laforge Klondike party was corroborated to-day by the return to Windsor of the leader, A. L. Laforge. Adam Vansickle and J. Smith, both of West Lawrence, Ont., lost their lives. They organized the Windsor expedition, but separated from the other members at Vancouver. They were caught in an availanche in the Chiicoot Pass and were killed. One of them wore a coat that had been bought from a tailor near their native town. This led to the identification of the bodies.

St. Anne's Young People's Association.

Last night a number of the congregation Messrs. Grant, Large, Harris, McNamara and Gilby also participated.
