IT LAYS A STILLING HAND ON PAIN.
For pains in the joints and limbs and for rheumatic pains, neuritis and lumbago, Dr. Thomas' Electric Oil is without a peer. Well rubbed in the skin absorbs it, and it quickly and permanently relieves the affected part. Its value lies in its magic property of removing pain from the body, and for that good quality it is unequalled.

Whatever the weather there is great demand for this splendid line of smart English tailor-made Waterproofs, doubtless because they do double duty as light top-coats and raincoats. This very special price makes them a value.
