PLAYS, PICTURES AND MUSIC

"HOBSON'S CHOICE."

Clean in sentiment, rich in charac-terization, quaint in its dialect and mid-Victorian costumes, and saturated with a kindly humor, it was inevitable that "Hobson's Choice," the delightful comedy of English previncial life by Hareld Brighouse, which we are to see for the first time at the Alexandra Theere all next week should have Theatre all next week, should have onjoyed a stupendous success in New ork, Boston and Chicago for an en-tire year, while now it has become the reigning laugh-maker in London.

The interpretation of the play is in the hands of a cast of distinguished English players, including Margaret Nybloc, Eddie Phelan, A. P. Kaye, Jane Ross, Hellen Evily, Edward Naimby, Helen Beaumont, Henry Dornton, Walter Fredericks, May Section Robert Whitshouse and Robert ion, Robert Whitehouse and Robert Forsyth. Seats will be placed on sale today for all performances.

RICHARD BENNETT IN "ZACK."

Richard Bennett's clever knack of characterization finds its freest scope in "Zack," the new comedy by Harold Brighouse, which will be seen next week at the Grand Opera House. The supporting company includes Marion Stevenson, Agnes Dorntee, Marle Leonhard, Eleanor Daniels, J. K. Whit-

Among the out-of-town guests were: Miss Susie McMullen, Detroit; Miss Verne Walker, Brussels, and Mrs. Wm. Stapleton, Saskatoon. After the wedding ceremony the happy couple left for New York on their honeymoon.

ONLY A FEW DAYS MORE OF OUR UNRIVALLED DICTIONARY OFFER.

A word is the symbol of an idea. One may have the most original and forceful ideas—but without words to express them they are utterly valueless. It might be said that there are no new ideas under the sun. In the earliest recorded writings from the Sanskrit, the Chinese, the Hebrew, the Greek or the Latin tongues, we find the same thought again and again. It is the expression only that varies. Each age, each nation must evolve its own form of expression or symbolism in its literary art. The universal mind in this way frees itself by the individual Thus, words may be said to be the tools of thought. Word study, therefore, is one of the most important elements of education. And the dictionary which gives the derivation, the difference of the distinctness."

minute role and inject into it so great a degree of vitality that, when the play is over, the apparently minor character stands cut in the picture with cameo-like distinctness."

Canvassers Are Meeting With Great Success in Campaign to Get More Men. ments of education. And the dictionary which gives the derivation, the different shades of meaning, the transition in modes of spelling; in short, the history of the word, is the one indispensable workshop for the worker in words. Among all the eras of dictionary makings, the present excels. And there is no excuse for anyone not to possess a valuable dictionary. The New Universities Dictionary, now being distributed by this paper, is easily this distributed by this paper, is easily the famong the dictionaries of its class. Our distribution has been wide and far-reaching. We only regret that the time draws near when we can no longer get this wonderful book for our readers, on the terms hitherto prevailing. We hope that those who have not yet gotten it, will avall themselves of the unusual opportunity presented today. The coupon published daily in our columns explains the method of acquiring it.

The stands cut in the picture with a text on to ruminate; "You see," I went on to ruminate; "You see," I went on to ruminate; "You see," I went on the stage for just a few minutes. You come into the doctor's intended for just a few minutes. You come into the doctor's prevailed with the eras of dictionary, now being made for members. The city is being covered thoroly by the stage is by no means, so interfective span upon the stage is by no means, so interfective span upon the stage is by no means, so interfective span upon the stage is by no means, so interfective span upon the stage is by no means, so interfective span upon the stage is by no means, so interfective span upon the stage is by no means, so interfective span upon the stage is by no means, so interfective span upon the stage is by no means, so interfective span upon the stage is by no means, so interfective span upon the stage is by no means, so interfective span upon the stage is by no means, so interfective span upon the stage is by no means, so interfective span upon the stage is by no means, so interfective span upon the stage is by no means, so interfect

RECOMMENDS PAYMENT OF SEYMOUR CO. TAXES

WITH MARY NEWCOMB Hydro Willing That Province Relieve People of Liability.

Sir Adam Beck announced yesterday that the hydro commission had decided be fecommend payment by the province of the taxes of the Seymour Power Co.'s plant, taken over by the government at the last session of the legislature, for the balance of the first year. The amount involved is about \$45,000. The hydro, says Sir Adam, has just requisitioned the fourth and last 12,000 horsepower to which they are entitled from the Canadian Niagara Power Co. This is expected to carry them on until the end of the year, when further arrangements, not yet disclosed, will have to be made.

The commission has decided to turn over the interest and sinking fund to the government on capital advances over the interest and sinking fund to the government on capital advances by the government to the commission, a sum of between \$650,000 and \$700,-000. The commission has the money available. By an order in council just passed, the commission has been em-powered to construct a power dam on Lake Golden, near Renfrew, and the work is to be started as soon as the Town of Renfrew signs the usual contract.
