

MOTORISTS HELD IN DEATH OF YORK CO. GIRL

Car Hits and Drags Victim 25 Feet; Then Continues on Way

FREDERICTON, Sept. 29.—Leo Burgoyne of Newmarket and James McGillivuddy of York are held in connection with the death of Rose Miller, aged 12 years, who died late this afternoon at the home of her grandmother, Mrs. Robert Miller, Central Kingsland, as a result of injuries received when struck by a car of which it is charged Burgoyne and McGillivuddy were the occupants.

Burgoyne is aged 21 years and McGillivuddy 29 years. At the time they struck the girl they dragged her along the highway for a distance estimated at about 75 feet. They then proceeded westward on the Fredericton-highway, not stopping. Later this evening they returned to the scene of the accident and were arrested by Sheriff John B. Hawthorne who brought them to Fredericton.

The two young men appeared to feel their position keenly. The little girl was a daughter of Vincent Miller, of Central Kingsland. She was crossing the highway road from the home of her grandmother to go to the Central Kingsland school at about 1 o'clock. The car was reported to be going at a very high rate of speed through the area. Her death occurred two or three hours after the accident.

SHIP FIGUREHEAD RECEIVED BY N. H. S.

Specimen of Wood Carver's Art Now Adorns Marine Room

"General Williams" arrived in the city yesterday and has already received a very hearty welcome from his host, Dr. William Macintosh, at the Natural History Society museum, where the general will take up permanent quarters.

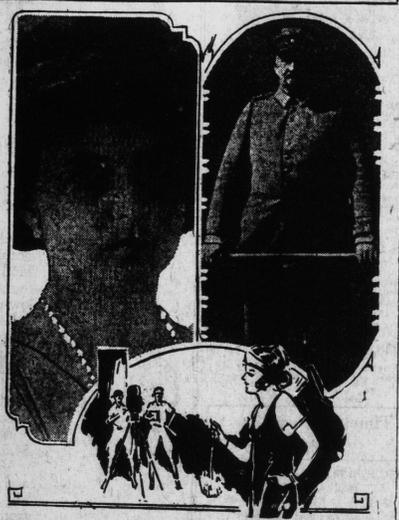

He is of more than life size and extremely handsome and in his day was the figurehead of the rigged ship that bore the name. As an example of the craft of the old woodcarvers the figurehead is a remarkably fine specimen. The ship from which the figurehead was taken was of 645 tons net and was built at Grand River, P. E. I. in 1866. It had a very short career, however, being wrecked on the rocks near the mouth of Cutler Harbor, Me., on the night of Jan. 6, 1868.

The figurehead has been in the possession of T. W. Woodcarver, and for many years has been an ornament in the grounds of Mr. Wren's residence. It has since been purchased and defied time and is now in excellent condition.

SATISFACTORY EXPLANATION

Police Sergeant Dykeman yesterday conveyed an automobile from Herford street to police headquarters for safety. It was reported to have been left standing on the street for two days. Last evening the owner of the car called and his automobile was handed over to him after he had given a satisfactory explanation.

Kaizer's Son Seeks Divorce

ALLEGING humiliation to himself and to his noble relatives as but one result of his wife's constant endeavors to break into the movies, Prince Eitel Friedrich, son of the Kaiser, has instituted divorce proceedings against the Princess. Both she and he have been unhappy in marriage for the last several years. The divorce is expected to be granted.

Deaths

Dr. Harry Lawson. Many friends throughout the province heard with very deep regret of the death of Dr. Harry B. Lawson, which occurred suddenly on Monday night at Lord's Cove, Deer Island, where he had been practicing his profession but a short while.

Dr. Lawson was the eldest son of the late Dr. J. J. Lawson, of St. Stephen. During the great war he served with the Imperial army in the Medical Corps and was on active duty both in South Africa and in France. After the war he was on the D.S.O. staff and stationed in Fredericton. Later he took up the practice of his profession in Miramichi and only recently had gone to Deer Island. He is survived by two brothers, Walter C. Lawson, barrister, and Dr. Gordon Lawson, dentist, both residing in Miramichi. He also leaves one sister.

The funeral will take place today in St. Stephen.

Mrs. Susan Northrup. Friends throughout the province will regret to hear of the death of Mrs. Susan A. Northrup, widow of the late George H. Northrup, a much beloved and respected citizen of Bellefleur, which occurred at her home on Tuesday, Sept. 28, at 9 p.m., in the 72nd year of her age.

She leaves to mourn three daughters, Miss Oda, at home; Mrs. Fred Redstone, of Bellefleur; two sons, Ira, at home; and eight grandchildren. The funeral service was held Thursday, Sept. 29, from the residence to St. Jude's church, where service was conducted by Rev. H. J. Buckland.

Lucinda Cord. Miss Lucinda Cord, who was for a long time a resident of this city, died on Monday in Digby, N. S. The late Mrs. Cord was born in Caledonia, Digby county, Nova Scotia, in 1842. She came to Saint John a few years later and lived here the greater part of her life. About a year ago she went to Digby and was a resident there until her death.

HISTORIC HOME AT NEWCASTLE CREEK BURNED

Bailey Residence in Queens Co. Is Destroyed With Contents

FRIENDS in Saint John heard last night of the total destruction by fire of the old Bailey homestead at Newcastle Creek, Queens county, with all its handsome old furnishings and all its barns and outbuildings.

The loss of this fine residence which has been for a century or more a familiar landmark in that part of the province and was one of the best appointed and oldest of the family residences in Queens county, is a very serious blow to the owners and removes a historic link with the early days in New Brunswick.

The fire is believed to have been caused by overheated hay in one of the outbuildings and it started late on Tuesday night. The entire structure and most of the outbuildings fell a prey to the flames.

Very little of the beautiful old furniture was saved. There was some insurance on the property but the loss will greatly exceed the insurance and it would be impossible to replace the historic household treasures.

First U. S. Court On Canadian Soil Sits

EDMUNDSTON, Sept. 29.—The first American court to sit on Canadian soil held its sittings in the court house here today in the case of Cyr against Barry.

The case concerned a certain bond given by John T. Cyr guaranteeing that Barry, the defendant, would appear in a certain action in Canada within a month from the giving of the bond following a car collision in Maine. The defendant failed to appear, Cyr paid on the bond and sued Barry on the American side.

As all the witnesses were on the Canadian side the court decided to sit at Edmundston.

The justice reserved his decision and stated that he would make out a statement of the facts as he saw them and would hand each side a copy before rendering his decision.

BIG CROWD ATTEND ORPHANAGE FAIR

Nearly 1,500 There Last Evening—Orphans to be Guests on Saturday

The crowd at the New Brunswick Protestant Orphanage Fair last night was the largest since Saturday night and the patron numbered close to 1,500. Premier J. B. M. Baxter was among the visitors and spent a couple of hours, evidently enjoying the good times as much as anybody.

Two new games were in operation and they were found to be real trials of skill which caused much good sport and much amusement. One was a rope ladder and the other was a tub game in which the patrons were required to bounce balls into a tub in such a manner that they did not rebound.

The live stock attracted much attention but this section was considerably depleted by the close of the fair. A pen of pure bred white leghorns, received from Cody's, the rabbits and a white poodle that was given by Mrs. Gulliflow, all found owners and will be removed. A valuable collie dog, prize winner at the recent show, was received as the gift of Valentine McLean, of Ashburn Road, and two other dogs, one a cocker spaniel, and the other, a Newfoundland, are to be presented later. A drawing is being arranged for the goat and the black spaniel.

SPECIAL DAY. Saturday is to be another of the special days at the fair. The orphans from all of the city institutions will be guests of the fair committee and will have the full privileges of all the attractions that day. On Saturday also the Baxter Lodge will have charge of the L. O. B. A. home cooking booth and will hold a sale of baked beans and brown bread in the afternoon. The special attraction at the fancy work booth on that day will be a sale of men's flannel underwear.

Last night the Carleton Cornet Band furnished a greatly enjoyed musical program. Tonight the music will be provided by St. Mary's Band and the door prize will be a load of coal.

The Fuzellers Band will play on Friday night.

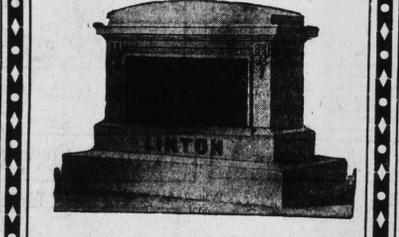

Last night's door prize, a load of hard wood, was won by H. E. Collins, holder of ticket 5,208. Mrs. A. E. McBride, 185 Main street, claimed the door prize of a big four wheel and ice cream offered on a previous evening. Among the prize winners at the games were Irving, bean bags, W. E. Emerson. J. W. Clayton was named as chairman and will have supervision of all the drawings in connection with the fair. Last night he was assisted by George McKinley in drawing the winner of the door prize.

LATEST RETURNS. The latest returns on the tag day of the Travelers Aid held here on Saturday afternoon showed that the proceeds had amounted to \$700 with four other sources still to be heard from. Mrs. J. Herbert Crockett expressed their very great appreciation of the excellent assistance of all their helpers for the tag day.

Richness of Flavour and Fragrance result in "cup value"

"SALADA" TEA

is more economical than other teas and costs no more. Brown Label 75c - Orange Pekoe Blend 85c

Have You Ordered?

One does overcome a feeling of uneasiness once the Monument question is settled. There is such a consoling relief that one has done one's part promptly and well.

And when the Monument comes from M. T. Kane & Co., Ltd., you have several reasons for special satisfaction. You have chosen from a helpfully large selection of finished Stones or Catalogue Designs, or you have a design to order without extra. Quality and workmanship guaranteed before payment due, freight and carving free, prices the lowest because equipment more efficient. Guest car at your disposal. Send for catalogue.

Never Look 40 that's a needless folly

By NORMA TALMADGE

This simple rule in skin care has largely made the "middle-aged woman" a tragedy of the past—try it, for one week.

KEEPING youth is something more than merely the fantasy wish of every woman. It is a duty that she owes herself and others.

Look everywhere today. Note how women are retaining youthful charm through the thirties, into and well beyond the forties.

Don't believe it is due to costly youth methods in skin care. Most of the time you'll find it the simple result of natural, common-sense ways in preserving youthful skin texture and suppleness.

The following rule, carefully followed, will do much toward women keeping their priceless youth. It has probably done so far more than any other method known. . . . just the softening olive and palm oil of Palmolive, used this way:

THE RULE IN SKIN CARE URGED BY EXPERTS Wash your face gently with sooth-ing Palmolive Soap, massaging it softly into the skin. Rinse thoroughly first with warm water, then with cold. Your skin is inclined to be dry, apply a touch of good cold cream. Do this regularly, and particularly in the evening. Use powder and rouge if you wish. But never leave them on over night. They clog the pores, often enlarge them. Black-heads and disfigurements often follow. They must be washed away.

Follow these rules day in, day out. Do not use ordinary soaps in the treatment given above. Do not think just any green soap, or represented as of palm and olive oils, is the same. Remember that before Palmolive came, women were told, "use no soap on your face." Soaps then were judged too harsh. Palmolive is a beauty soap made for one purpose only—to safeguard your complexion. 60 years of soap study stand behind it. Millions of pretty skins prove its effectiveness beyond doubt.

BE SURE YOU GET THE REAL PALMOLIVE It costs but 10c the cake—so little that millions let it do for their bodies what it does for their faces. Obtain Palmolive today. Note what one week of its use brings you. The Palmolive Company of Canada, Limited.
