Another Inquiry.

Vancouver, B. C., Nov. 2.—(Canadian Press.)—A charge that rules applying to "barnstorming" exhibitions were violated when major league all-stars played a local team here before sailing for the Orient is being investigated by Judge Landis, chief of or regulation baseball. The regulations prohibit teams with more than three world's series players from participating in any exhibition contest. When the all-stars performed here, four world series men were in the line-up, Kelly and Meusel of the Giants and Hoffman and Bush of the Yankees.

BRITON LOSES WORLD TITLE

Jack Britton, welterweight champion of the world, lost his title to Mickey Walker of Elizabeth, N. J., in a fifteen round bout staged in New York last night. Walker failed to knock out the champion, but had the best of every round and badly punished his older and more experienced opponent.
