Foreign Government's Failure to Absorb Its Full Order Plays into Local Hands

Only a few months ago the people of St. John had an opportunity to procure crack-up mild sugar cured hams, picnic hams and choice spiced bacon at prices way below prevailing market price. This through our buying in heavy quantities.

We are again able to place before you about 100 tons of the choicest hams and bacons which we were in a position to buy through the failure of a foreign government to take the full amount contracted for.

Selling direct from the packers we cut middleman's profits and deliver to your home at big saving.

They go on sale Friday morning, and as the rush will be great, we'd recommend quick call on your part.

Means a Saving of 10 to 15c. a Pound

Goods promptly delivered. Hams are from 12 to 16 lbs. and this cold weather will keep months. Telephone Main 4144.
