"Turning Movement Developing Rapidly" Is Official Word

Paris Adds Another German Attack Repulsed But London Silent

Press Bureau "Unable" To Confirm

Quiet Confident Tone in London Official News Becoming Louder and More Persistent—Russians and Germans in Great Battle—Gallant Belgians and Germans in Desperate Fight

Paris, Sept. 30.—According to the official bulletin on the war given out in Paris this afternoon, the turning movement of the allies north of the Somme is developing rapidly. A German attack on Tracy-Le-Mont has been repulsed with heavy losses.

LONDON IS SILENT

London, Sept. 30.—Although the British censor permitted the transmission of unofficial despatches stating that the German right wing had met with disaster, the government press bureau refused to confirm them today. This statement was given out at 10.45 a.m. "The press bureau is unable to confirm the report that the German right wing has been broken and is being pushed back."

Efforts to get an explanation of the word "unable" whether meaning that no information had been received, or whether, in accordance with the rule that no report on fighting shall be issued until five days after it has taken place, met with no success.

RUSSIANS AND GERMANS IN GREAT BATTLE

London, Sept. 30.—A despatch from Rome to the Exchange Telegraph Company, dated Tuesday, says:—

A Petrograd message states that a fierce battle between the army of General Rennenkampf and that of German General Von Hindenburg, has been raging since Sunday morning along a front extending from Grodno to Druskenki, on the Nieme River. Four army corps have been engaged on both sides and the Russians are being constantly reinforced from Vilna. The Russians have already repulsed the Germans at several points.

BERLIN'S REPORT

Berlin, Sept. 30.—A report given out at army headquarters today says "there has been general fighting on our right wing in France, but nothing decisive. The centre is quiet. The French advances in the vicinity of Verdun and Toul have been renewed."

Berlin, Sept. 30.—(By wireless telegraph to Sayville)—Reports made public here from Constantinople declare that owing to the bellicose attitude of British warships cruising near the Dardanelles, Turkey closed this waterway.

The people of Holland are described in Berlin as excited by the repeated capture of Netherlands ships by the British.

CONFIDENCE GROWS

London, Sept. 30.—The Standard military correspondent writes: "The note of quiet confidence which one feels has been sounded of late in the terse and guarded official communications which have had reference to the course of the war in France, appears to me to get louder and more persistent."

NO CONFIRMATION IN THIS

Washington, Sept. 30.—Official despatches received by the French embassy today duplicated in part last night's official statement of the Bordeaux war office and gave no confirmation of the reported defeat of the German right wing. A brief cablegram from the foreign office dated Sept. 29, announced more liberal conditions for business men under the moratorium.

BELGIANS AGAIN SHOW THEIR WORTH

London, Sept. 30.—The correspondent of the London Daily Chronicle with the Belgians, writing under yesterday's date, estimates that nearly 150,000 troops are engaged in a desperate battle along a line extending from Termonde to Aerschot. "This battle," the correspondent says, "appears to be the last effort on both sides. The Belgian resistance in the face of superior German artillery is really magnificent. As regards Antwerp, it is not easy to make any definite statement until the result of today's Tuesday's battle is known. In any case, the town is well provisioned and defended.

The German losses in the last few days must have been enormous, certainly many thousands have fallen.

GET READY FOR FURTHER RETREAT

London, Sept. 30.—The Ghent correspondent of the Daily Express has sent the following despatch:—

"Persons arriving from Brussels say that the Germans are preparing to move the administrative headquarters of the military government of Belgium to Namur. That is taken to mean the Germans are getting ready for the next stand nearer their own frontier."

AUSTRIAN WARSHIP REPORTED SUNK

London, Sept. 30.—A despatch to the Times from Milan, gives under reserve, a report that while two Austrian warships were attempting a sortie from Cattaro, one of them was torpedoed.

Great Gale Sweeps North Sea Along Whole German Coast; Bodies Of German Sailors Wash Ashore

London, Sept. 30.—"The heaviest gale within living memory is sweeping over Denmark and the North Sea, along the whole German coast," says the Copenhagen correspondent of the Daily News. "Considerable damage has been done to property," continues the despatch. "The German air manoeuvres in the neighborhood of Kiel have been abandoned. A telephone message from west Jutland states that bodies of several German sailors in uniform were washed ashore on Monday north of Esbjerg. Telegraphic communication has been considerably upset."

ANOTHER MISTAKE MOST CRITICAL THE KAISER MADE MOMENT OF WAR

How His Calculations on Support of Roumania in War Were Upset

Paris, Sept. 30.—According to a Bucharest despatch published in the Journal Des Debats, Germany counted on the intervention of Roumania, but when King Charles asked the cabinet to order mobilization of the army one of the ministers replied:—

"We are quite willing if it is against Austria."

King Charles turned to him and said: "I gave my word to Emperor William and a Hohenzollern keeps his word."

J. J. C. Bratiano, president of the council, here interposed saying: "The country knows no Hohenzollern. It knows only the King of Roumania, who does not have to give his word to anyone whatsoever."

King Charles then decided to call a council of the crown with the former ministers in attendance, but only one sided with him in favor of Germany. It is then reported that the king applied to General Avevesco to try a coup d'etat and arrest the ministers, but he refused, saying:—

"Sire, you will be the first victim. It is also said that some superior officers declared they would desert and join the Russian army rather than fight for Austria."

London, Sept. 30.—The Rome correspondent of the Exchange Telegraph Company reports that a message received at Rome from Bucharest says that King Charles has summoned the cabinet in special session tomorrow to decide the attitude of Roumania toward the war.

PLANS FOR SHIPMENT OF HORSES PROGRESS

On his return after a visit to Upper Canada this morning Colonel H. H. McLean, M. P., said that the arrangements for the establishment of a depot for the shipment of horses for remount purposes for the British army from St. John were proceeding satisfactorily. He had had a conference with General Gordon, a few days ago regarding the matter and that officer had told him that he would not be in St. John for some days, but probably about the latter part of the next week. Until that time it is not likely that any remounts will be sent across from here.

Already several hundred horses have been assembled at Halifax for the service of the army, having been brought there over the I. C. R. Whether the remounts for St. John will be brought over the I. C. R. or not cannot be said, but because of the need for quick shipment it is thought likely that many will be shipped via the C. P. R. New Brunswick, however, is expected to furnish quite a large number of steeds. The stables at the exhibition grounds will need very little alterations if any, before being put into use.

AUSTRIANS WORRY BRITISH RESIDENTS IN TRIESTE

Venice, via Paris, Sept. 30.—News which has reached here says that the anti-British feeling in Austria is becoming more pronounced. The few remaining British residents in Trieste are finding their position intolerable. An English chaplain has been arrested three times. On the last occasion he was called out of bed at four o'clock in the morning and the police insisted on remaining in his bedroom while he dressed.

An English woman seventy-three years old, in the same city, has been compelled to report herself in person to the police station every other day.

Good Work of Jap Airmen
Tokyo, Sept. 30.—Japanese aeroplanists say they hit a German vessel during the latest fighting at Kiao Chau with bombs thrown from the machines at a height of 700 yards. Two biplanes and one monoplane were engaged. The wings of the machines were riddled with bullets yet they returned in safety to their base.

English Reservists Sail From New York

Many English reservists were on board and before the ships sailed a tribute was paid to them by passengers and persons ashore, who sang "God Save the King."

OCTOBER TO BE BUSY MONTH IN CHURCH CIRCLES

Several Large Movements And Conventions Arranged

LAYMEN'S CAMPAIGN

Banquet a Feature of the Meeting in St. John—Baptist Convention to Be Held This Month—Activities of Methodists

The month of October will be a busy one in church circles. In most of the churches plans are being made for the beginning of the winter work and for the resumption of the activities which are interrupted by the summer season. In addition to the usual work the month will be marked by several events of unusual interest.

The Laymen's Missionary Movement of Canada will undertake a campaign throughout the maritime provinces during the month, when meetings will be held in the larger centres, and in some of the smaller places. Several teams of speakers will assist in the campaign, which will open in Campbellton, N. B., on October 12 and close in Sydney, N. S., on October 30.

In St. John the movement will be marked by a banquet, which is expected to be one of the largest affairs of the kind ever held here. This will take place on the evening of Monday, October 19, and will be followed by a conference on missionary work. Although the plans have not been completed, the committee, which is headed by T. H. Somerville, hopes to have among the speakers Rev. Dr. Herridge, of Ottawa, Presbyterian; His Lordship the Bishop of Fredericton, Anglican; Rev. Dr. Hartz, of Montreal, Methodist; and Rev. Dr. Brown, of Toronto, Baptist.

The same week will be marked by a big denominational rally under the auspices of the Presbyterian Ministerial Association, commencing on Sunday, October 18, and continuing until the following Sunday. The meetings, which will be held each week night as well as on both Sundays, will be in the form of a mission for the deepening of the spiritual life of the churches and to give a new impetus to the work after the quiet times during the summer. The chief speaker will be Rev. Dr. Herridge, of Ottawa, moderator of the General Assembly of the Presbyterian Church in Canada. The members of the committee are greatly gratified over their success in securing the assistance of Doctor Herridge, who has been hailed as the prince of Canadian preachers. He is a man of extraordinary scholastic attainments, and his addresses are noted for their literary finish as well as for their deep spiritual power. The meetings will be held in St. David's church, and the music will be aided by the combined choirs of the Presbyterian churches.

A Moncton despatch says that Bishop Hartz will be one of the speakers at the Laymen's Missionary Banquet there on October 16. R. D. Hamilton of Toronto, laymen's secretary of the Presbyterian church in Canada, also will attend.

The annual convention of the Baptist church in the maritime provinces will be held in Fredericton next month.

ITALY CALLING MORE OF HER RESERVISTS TO THE COLORS

Next Month She Will Have 1,390,000 Men Under The Flag

London, Sept. 30.—The calling to the colors of the 1885, 1886 and 1888 classes of Italian reservists early in October has been confirmed by several Italian newspapers, according to the correspondent of the London Daily Mail at Venice. Eleven first category classes will then be under the flag, and will total 1,390,000 men.

Without counting the 80,000 men now in Tripoli, Italy will have an army of 1,310,000 men in her own territory divided into thirty army corps.

Continuing the correspondent says that Austrian troops are still throwing up defence works along the frontier, the Ponta Feltrina line being defended by the Landwehr.

DOES ITALY NEAR DECISION

Rome, Sept. 30.—The condition of Marquis Di San Giuliano, the minister of foreign affairs, although somewhat better, is always grave. He recently expressed a hope to live ten weeks more. This is taken to mean that the minister feels that within ten weeks something very important and vital for Italy will occur, but thus far, no one has dared to question him regarding the matter.

CHINESE GIRL HELD AS SLAVE

San Francisco, Cal., Sept. 30.—The first conviction on record here for keeping a human being in slavery was obtained yesterday in the United States district court Mrs. Wong Sam, an aged Chinese woman, was found guilty of holding in bondage Loy Gam, a slave girl.

from October 17 to 21. Dr. James A. Francis, of Clarendon street church, Boston, will be the principal speaker at the convention, and at the close of that gathering he will come to St. John to address a series of afternoon and evening meetings in the German street Baptist church.

Dr. E. I. Hartz, superintendent of Methodist Missions, Montreal, who will be in the city for the laymen's missionary conference, will remain over for a few days and will be the principal speaker at a missionary institute which will be held in Centenary church. The meetings will be held both afternoon and evening on Tuesday, Wednesday, Thursday and Friday. The meetings are being promoted by Centenary church but the other Methodist churches are being invited to co-operate. Local men also will address the meetings.

Next Sunday is to be observed as rally Sunday in many of the Sunday schools and some of the churches of the city. On October 23 the Methodist ministers in this district will exchange outlets.

COLONEL HUGHES MAY CROSS WITH TROOPS BUT NOT TO TAKE COMMAND

Ottawa, Ont., Sept. 30.—It is said here that Colonel Hughes may cross the Atlantic with the Canadian troops and see that they are properly transferred to the War Office. He does not propose to take command of the Canadian contingent in Europe, but to see that they are properly started for the front.

CARRIER PIGEONS FOR MAIL SERVICE FOR CONTINENT

London, Sept. 30.—Thirty thousand carrier pigeons for use in the national mail service have been placed at the disposal of the government by Homing pigeon societies in Birmingham.

WHERE AND WHEN TO SEE THE COMET

Washington, Sept. 30.—Astronomers of the naval observatory are observing with keen interest the activities of Delavan's comet, which is now visible to the naked eye, and which will remain visible throughout October. It may be seen about ten o'clock on clear nights, at a point almost directly below the "Pole Star." At that time, the comet is low in the sky. As the night wanes, the comet rises higher in the heavens and in the early morning between two and four o'clock it reaches its greatest latitude above the horizon.

Then, it is said, is the time to observe the comet.

A FINE EXAMPLE

The staff and employees of the Provincial Hospital, Lancaster, have made arrangements to club together and make a donation of \$50 to the Patriotic Fund every month while the war is in progress.
