Can You Ask More?
 I am so confident that I can furnish relief for indigestion and dyspepsia that I promise to supply the medicine free of all cost to every one who uses it according to directions who is not perfectly satisfied with the results. I exact no promises and put no one under any obligation whatever. Surely nothing could be fairer. I am located right here where you live, and my reputation should be sufficient assurance of the genuineness of my offer.
 I want every one who is troubled with indigestion or dyspepsia to send for a bottle to come to my store and get a bottle of my Dyspepsia Tablets. Take in advance and give them their reasonable price according to directions. They are very pleasant to take; they soothe the irritable stomach, strengthen and invigorate the digestive organs, promote a healthy and normal bowel action, almost immediately relieve nausea and stomach irritation, produce healthy digestion and assimilation, and promote nutrition. Three sizes, 25c, 50c, and \$1.00. Remember you can obtain Rexall Remedies only at—The Rexall Store, Chas. R. Watson, 109 King Street.

FISH DEMAND BIG
 Has Gone Ahead of Supply and Industry on Atlantic Crows
 Interviewed by The Montreal Star respecting the advanced prices of fish, A. H. Brittain, director and sales manager of the Marine Fish Corporation, Limited, stated that the increased cost of fish was not due to any failure in the yield of the Canadian Atlantic fisheries, for these were yielding appreciably larger quantities year by year.
 "The fact is," he added, "that the demand has for the time being gone right ahead of the supply. Few people realize the magnitude of the Atlantic fisheries, which are today largely supplying the markets of Canada and the United States. The products of the fisheries of Canada are probably the only food-stuffs which figure largely in the exports. The last returns show that for twelve months the industry produced in value over twenty-five million dollars, probably thirteen millions of which was exported. The last returns show that for twelve months the industry produced in value over twenty-five million dollars, or sixteen million is credited to the Atlantic, made up mostly of codfish, haddock, mackerel, lobsters, salmon, and herring.
 "The increased consumption of fish is largely due to the development of transportation facilities, enabling the product to reach the consumer in a fresh state. From 1890 to 1908 the five principal sea fisheries have yielded in value:
 (Codfish, \$146,200,989; salmon, \$106,618,015; lobsters, \$91,575,954; and mackerel, \$89,255,228.)
 "The industry employs over 85,000 persons and has grown in value from \$10,754,967 in 1875, to \$23,431,900 in 1908, the date of the latest published Blue Book."
 "The development of the Atlantic fisheries of Canada," he said, "is attracting considerable attention along modern and up-to-date lines. New and larger fishing vessels are being used, capable of going to sea in all weather, and with the more improved transportation facilities afforded by the railways and express companies, the fisheries of Canada—which are the most extensive in the world—should go a long way towards reducing the high cost of living."
 "At the present time the smoked fish industry is becoming almost a regular article of diet and is finding a place in all the inland centres; it is shipped from the Atlantic as far west as Vancouver and Victoria."
 "Laces and caulimeries should be ironed on the wrong side with several thicknesses of cloth or a piece of flannel underneath."

"PIMPLES"
 Broke Out All Over Her Face.
 Pimples are caused, almost entirely, by bad blood, and there is only one way to get rid of them, and that is to get at the seat of the trouble by using a good reliable blood purifying medicine.
 Burdock Blood Bitters has been on the market for 35 years, and is one of the very best blood medicines procurable. After using it you will find that the pimples have disappeared, and you will have a beautiful clear complexion.
 Mrs. Robert McNab, Badjeros, Ont., writes:—"I am greatly pleased to report the benefit I have derived from the use of Burdock Blood Bitters. About a year ago I became so weak and run down I could scarcely walk, and pimples broke out all over my face. I tried one thing after another, but nothing seemed to do me any good. I was advised by a lady friend to try B.B. and before I had used one bottle I felt it was doing me good so I used three bottles, and I am now well and strong, and the pimples have all disappeared."
 Burdock Blood Bitters is manufactured only by The T. Milburn Co., Limited, Toronto, Ont.

Got Her Twenty Cents
 (New York Tribune.)
 A well-dressed woman standing just inside of a pay-as-you-enter car taking fares from passengers was recently one of New York's queer scenes. On entering the car the woman dropped a 25-cent piece into the fare box by mistake. The conductor could do nothing in the matter. "Very well," said the woman, "I will get my 20 cents from the next four passengers." She explained the situation to the first man who boarded the car, took his nickel, saw that the fare was rung up and steel her ground till the change to which she was entitled was collected.
