

**Style! Dash! Youth!**  
—IN—  
**Hats of Quality for Easter**

This week's arrivals, barely unpacked and the styles that Paris has accepted for the New Season. Little-priced—yet made of better materials than usual.

**COLORS**—Almond, Strawberry, Silver, Navy, Brown, Black and White-Black.

**INDIVIDUALITY**—New motifs, new materials, poses prettily used, laces artfully draped, ostrich plumes long and willowy, give these hats distinction.

Whatever the need, the assortment will make Easter shopping comparatively simple.

**Spear Millinery Co.**  
177 UNION STREET

**The Spirit of Easter**

As bells made soundless, so would Easter Sunday be without flowers.

This is the day of all days when the home should be gladdened by the fragrance and color of flowers.

Leave your order early at:—

**Jewelry**

Easter, falling on the first day of April as it does, makes it a most appropriate time to make Gifts of Jewelry—especially, of Diamonds. That most brilliant of stones is symbolical of the month. Hence, the intense appreciation of a person receiving one, whether it be in a Ring, Necklace, Ear-rings, or some other piece of Jewelry. Come to us for your selection.

In brightening up your table for the Easter Season be sure to look over our Silverware Department. Latest patterns—moderate prices.
