THE EVENING TIMES-STAR, SAINT JOHN, N. B., FRIDAY, MARCH 13, 1925

### PINDER WILL RETIRE FROM PUBLIC LIFE

Veteran M. L. A. For York Long Prominent in Politics of N. B.

FREDERICTON, March 12.—The final session of the eighth Legislative Assembly of New Brunswick, but when it closes the Nestor of the House, James K. Pinder, of York, will retire from public life. Mr. Pinder, who has for 38 years been a prominent figure in the political life of this province, announced today that he would not gain be a candidate in York county, and when the session concluded he would pass from participation in party life.

He was first elected to New Brunswick Legislature in 1892 on a ticket with Herman Pitts, W. T. Howe and W. K. Allen, all of whom are dead, Pinder being a member of the ticket that defeated the late Hon. Andrew G. Blair, then Premier of the province, and his three colleagues.

Re-elected in 1895, Mr. Pinder was after a successful candidate in several elections until 1908 when he again

### TAKING COURSE

Dr. E. J. Ryan, who for the last six months has been taking post graduate courses in surgery in New York, arrived in the city yesterday for a short visit. He expects to return to New York in the near future.

He came into the House and has remained there ever since as one of the York county representatives.

Mr. Pinder was born at Driffield, Yorkshire, England, on March 26, 1841. He is therefore nearly 84 years old.

### WANTS LIGHT ON N. S. LIQUOR TRADE

Opposition Leader Will Ask if Federal Government to Prevent Smuggling.

HALIFAX, March 12.—That the Government would be called upon to give a detailed account of its treatment of the liquor traffic in Nova Scotia was indicated at this afternoon's short session of the Legislative Assembly when D. G. MacKenzie, leader of the Opposition gave notice of a list of questions he would ask on a future day.

The information to be sought would include an account of the recent loss of liquor from Board of Vendor Commissioners' bonded warehouse No. 4, and details of the commission in general, showing salaries, rents paid, receipts and disbursements, etc., and will also refer to the illegal liquor traffic, if any, that may be carried on by rum runners and smugglers along the coast line of the province.

Mr. MacKenzie will ask if any assurance has been received from the Federal Government "that adequate provision will be made by the Department of Customs to deal more effectively with smugglers and rum-runners, and to prevent smuggling operations along the coast."

**POVERTY PARTY.**  
A jolly time was spent on Tuesday evening at the home of Mr. and Mrs. Albert Moore, 12 Millidge avenue when members of the On-We-Go Club with their husbands and gentlemen friends enjoyed a poverty party. Appropriate costumes were worn and during the evening an old-fashioned concert was given, all present taking part. Among the selections were a duet by George Simpson and Albert Moore; dog dance by Roy Saunders and appropriate songs by R. J. Palmer, William Barker and Z. Brown. Games and dancing were greatly enjoyed and dainty refreshments were served by the hostess. The party dispersed in the hope of enjoying another such jolly time in the near future.

### DAILY COOKING DEMONSTRATION HYDRO RANGES

Tomorrow morning and afternoon a further proof of the all-around economy and unapproached efficiency of Hydro Electric Ranges will be exhibited in the Hydro Office.

Batches of cakes, pies, tarts, etc., will be baked by Mrs. McLean—and it will all be done with an oven that bakes three hours after the heat is shut off. Hydro ranges have heat-light ovens that hold the heat evenly once it is started up. Thereafter the cooking is automatic—never a change. You can go anywhere you like and merely remember what time to return to discover beautifully baked things ready to take out. No other ranges are like this—no other ranges are so steady and reliable, so clean, so smart, so cheap and easy to operate.

Hundreds of shrewd housewives are calling daily at the Hydro office to see these miracle ranges in action. With ten months to pay, they pay for themselves over and over. Prices as low as \$50, installed complete as low as \$16. Hydro ranges are a fairly new development, but fifty thousand of the Moffat make alone are saving money and everything else in Canadian kitchens.

*"Women often ask me — says Mrs. Experience — how I get my table linen so immaculate"*

"I take it as a real compliment, because most women do try to excel in their table linen."

"Of course, I tell them the way I've found easiest and best is with Sunlight—just rubbing the linen lightly with Sunlight, rolling it up and putting it to soak. After soaking, perhaps a light rubbing here and there may be called for, then just rinse, and the linen is spotlessly clean. Fine linens should be protected and never come into contact with anything but the purest soap."

"As a household soap there is nothing better or more economical than Sunlight. Every particle is pure soap, with no wasteful 'filler'. Sunlight is mild and easy on the hands, too." Lever Brothers Limited of Toronto, make it.
