BODWELL MEETING AT SPRING RIDGE

ENTHUSIASTIC CROWD, ELOQUENT SPEECHES

E. V. Bodwell and Several Members of the Legislature Discussed the Political Situation.

(From Friday's Daily.)

It the enthusiasm of the people of they applauded the sentiments expressed Bodwell by at least 1,000 of a majority. Among the large audience which filled the seats and aisles of Odd Fellows' hall, Fernwood, not one dissenting voice was heard, but nearly all joined in expressions of approval of the denunciation of the Dunsmuir government, and the candidature of Col, Prior, P. C. MacGregor was voted to the chair and MacGregor was voted to the chair, and seated with him on the platform beside the popular candidate were several members of the opposition in the legislature, who also addressed the meeting. Ald. Grahame, ex-Ald. Bragg and Trustee Matson.

The Chairman.

The chairman, in opening the meeting, H. D. Helmcken.

He submitted the following resolution, parliamentarian, and acquainted which was carried unanimously:

Be it resolved, that this meeting of the

such a government that was a good contract they would support was a good contract they would support the such a government that will say we are wrong—all our act are wrong, but we will buy you with a reason why the contract with the Cane to bury the government. It did

E. V. Bodwell. Mr. Bodwell, K. C., received such an | carry this election with an hurrah, and nthusiastic welcome that there could be then come back and tell the Victorians: every promise he made would be car-ried out. They did trust him and he Loud voices: "No! no!"

pointed out that 201. The last of the country were of greater to him in his own office that if Mr. interests of the country were of greater bodwell could be induced to run he importance than any man's ambition. It would support him, and but little confice that any man's ambition. It has taken the government a long time to contract, but he was to be elected constituencies of the Lower Mainland to the contract of the country were of greater to galvanize themselves into life by this contract, but he was to be elected constituencies of the Lower Mainland to the contract of the country were of greater to galvanize themselves into life by this contract, but he was to be elected constituencies of the Lower Mainland to the contract of the country were of greater to galvanize themselves into life by this contract, but he was to be elected constituencies of the Lower Mainland to the contract of the country were of greater to galvanize themselves into life by this contract, but he was to be elected constituencies of the Lower Mainland to the contract of the country were of greater to galvanize themselves into life by this contract.

side from their duty in electing an Colonel Prior or nothing. (Applause.) pponent of the government. (Applause.) In the manifesto issued that afternoon. Col. Prior gave as his sole reason for H. D. Helmcken, M. P. P., K. C., introduced his remarks by a brief eulogy on the late Speaker, Hon. J. P. Booth the late Speaker, Hon. J. P. Booth appearing in the contest, that a contract constitutional practices, and he knew Be it resolved, that this meeting of the electors of the city of Victoria desires to place on record its deep sense of the loss the country has sustained in the death of the Honorable John Paton Booth, Speaker of the legislative assembly of the province of British Columbia, and representative of the riding of North Victoria, who has served his country faithfully and well, and who has earned the respect of the country by the able, conscientious and impartial manner in which he discharged the heavy and important duties of Speaker, and that his meeting desires to tender to his widow and family their sincere sympathy in their sad bereavement; that when he became a member of the

stitutional rights. He has to justify the administration of public affairs in such a way as to imperil the title to all min-Mr. Helmcken, continuing, said he was eral claims recently issued, to cast doubt pleased to see the large attendance.
