Cured Him of Liver Complaint.

St. Louise, Que.,—Feb'y 14, 1887.
W. H. COMSTOCK.

SIR,—I hereby certify that Morse's Indian Root Pills have cured me of Liver Complaint. I take great pleasure in recommending them to all who are suffering from diseases of the Liver and Kidneys.

Yours &c.

OWES HIS LIFE TO MORSE'S PILLS.

Tay Settlement N.B.,—March 21, 1887.
W. H. COMSTOCK.

SIR,—I write to tell you what I know about DR. MORSE'S INDIAN ROOT PILLS. Wm. McNutt a neighbor was so badly "used up" with Rheumatism and Dyspepsia that for some time he was unable to do any work, he commenced taking your Pills, they acted very favorably on him and after taking some few boxes felt well enough to go back to work, he has never had any serious return of his old trouble and says that he owes his life to MORSE'S PILLS.

Yours &c.

WM. TOMILSON, P.M.

CURED CHILLS AND FEVER.

Hyman, S. C.

WM. H. COMSTOCK.

Dear Sir,—Mrs. E. J. Rodgers, of this place, has been afflicted with chills and fever for a long time. She has been treated by a skillful doctor and has tried other patent medicines. I induced her to try the Indian Root Pills, and she told me that she never had but one severe attack since commencing their use. She has taken two boxes and is now in good health.

Very truly yours,

J. B. MOORE.

CURED DYSPEPSIA.

New London, Mo.

Dear Sir,—I have suffered for a year or two with Dyspepsia, and was advised to use Dr. Morse's Indian Root Pills. I took four boxes and am now sound and well. I would advise others suffering from the same disease to try them also for all Lung and Liver complaints, for I think they are the best Pill that is made.

Respectfully yours,

BEN A. BROWN.

Suffered Agonies From Indigestion
but Morse's Pills Relieved Her.

Amaguadus Pond, N. S.

W. H. COMSTOCK.

SIR,—I have reason to speak well of DR. MORSE'S INDIAN ROOT PILLS as I have suffered agony with Indigestion and could find nothing to give permanent relief till I used your Pills. I shall never cease to speak well of them.

Yours truly,

MRS. B. MCNEIL.
