Novelties in Pearl. Suitable for Wash and Stuff Dresses, \(\frac{1}{2} \) and \(\frac{1}{2} \) in square, Satin Pearl inset with a white brilliant. Per dozen White Satin Pearl inset at top with a cream mother of Pearl, small, medium and large sizes. Per doz. 75c. to \(33.00 \). Crochet Buttons.

A specially good variety

of Blacks in 24, 30 and 45 lines. Some are finely embossed imitating covered effects in Moire, Plain and Diagonal and Taffets, Oval, fist and concave top. Plain two and four hole, sewn through, and with self shank: All prices.

In Buttons for Tailor-made Suits we have an endless variety, plain colors, colored centres, two tones, and in practically every imaginable shade.

Forget The Walking.

Better forget the Tramway strike
And get out your fishing gear,
And hit the trail for your favorite lake,
In fact, go most anywhere.
So long as the trout are biting
And your pals are willing to talk
Of the fellows back home in the city
Where everyone has to walk.

When talking over last year's fishing trip and planning this season's, do not forget to go thoroughly over your outfit. Then when you think you have everything your need, come down and look over our stock of fishermen's gear, You'll find something required.

Vote on a surpliced choir for St. Paul's, St. Paul's "Parish Magazine" for May St. Faul's "Parish Magazine" for May has the following:

At the Parish Meeting specially called to discuss the introduction of a surpliced thoir, it was moved by Dr. W. H. H. Beckwith, seconded by R. M. Symoas:

"That the meeting approve of a Vested Choir for St. Paul's Church, and that the time for introducing such change and the other matters in connection therewith be left to the Vestry."

Carried—40 for and 36 against.

Bailots were afterwards sent out to all

Carried—40 for and 36 against.

Ballots were afterwards sent out to all qualified voters. There were 397 ballots sent out in all. 233 were returned, but of this number 18 were unsigned, and thus not counted. 107 answered "Yes," but with qualifications. Some if no procession, if large majority, or opposed by respectable minority, defer for another year, personally yes, but not if it would drive away one old member, if it leads to nothing else, provided it causes no friction.

114 answered "Na." Of this number some had no personal objection, and some would be in favor under other conditions.

END OF STRIKE

in sight.-Tram Company

In effect that all employees will be taken back Without discrimination if they sign last August's agree-

The company willing to give increase of wages all Employees to report this after-

After four days' cessation of the tram car service in Halifax, there is every pros-pect that the strike of the employees will come to a termination this afternoon as the result of a proposition made by the Tram Company representatives at a conference held at the Hall'ax Hotel last

The proposition was submitted verbally at this morning's Board of Control meet-ing in the presence of the representatives of the employees, and the latter took it nder consideration after lunch to-day. Last night Mayor Bligh met in conference at the Halifax Hotel with President Smith and Solicitor Covert. Messrs. Geo. E. Faulkner and R. E. Finn, the local

selling others to keep their heads, he had perhaps for a moment lost his.

Controller Hoben started to ask a question, when Mr. Covert interrupted saying, "Oh don't make a more objections." On troller Hoben thought he was end to do so. He wanted to know why the man could not be given a written statement as to the proposed agreement.

It was explained to him that Mesers. Covert and Murray would first meet to draw up the proposition.

The meeting then adjourned until 3 o'clock this afternoon to receive the men's reply to the proposed agreement. In the meantime Mr. Murray conferred with the men, after which he and Mr. Govert met to draw up the agreement, which was then submitted to the men. If the latter report acceptance this afternoon the strike will be over.

NOTES.

will be over.

NOTES,
Arrangements had been made for a meeting of the Halifax Trades and Labor Council to deal with the Tramway strike situation to-morrow evening at the Dispensary Hall on Brunswick St. Delegates from every labor organization in the city have been notified and President John T. Joy will preside if there is any necessity, but the probability is according to reports, there will be none. Speakers for the meeting were to have been Grand President A. R. Mosher, of the Canadlan Brotherhood of Railway Employees; Grand Secretary McLean, and Sidney Mosher, head of the Tram Employees Union.

Both A. Mosher and Secretary McLean addressed the strikers in session yesterday afternoon. afternoon.

There was no parade yesterday morning but last evening the men lined up in front of their headquarters and marched to the Empire theater. Besides the house programme, Motorman Streeter appeared and rendered a selection on the suphonium; Motorman McDonaid played a violin solo in addition to giving a song. President Sidney Mosher thankel the audience Motorman McDonald played a violin as in addition to giving a song. Preside Sidney Mosher thankel the audien when the performance ended and referr in general lines to the striking tram wor err appreciation of the public sentimen Many acceptable donations have begreenived by the union looking to the men bers general comfort and pleasure, the including tobacco, mineral water as sets of cards, checkers and other spondingames.

SUFFRAGETTES THREATEN

To destroy the golf grounds where championships are to be held this week.

Sr. Andrews, Scotland, May 20.—This little town is almost in a state of siege as the result of threats uttered by the Mflitant Suffragettes that they will destroy the Putting Greene, and thus render play impossible in the world's amateur golf championship which is to be competed for here next week:

Intense excitement prevails among the townspeople who depend largely for their prosperity upon the golf links, while the members of the Royal and Ancient Golf Club also are extremely anxious. They members of the Royal and Ancient Golf
Club also are extremely anxious. They
and the citizens have organized a vigilance
committee, whose members, together with
5,000 volunteers, will guard the greens
night and day.

The general anxiesy becomes keener
every day as it is thought that the militant suffragettes may refrain from delivering their attack until the last moment
when it will be impossible to repair the
damage. As it is understood that the women will use vitroi to destroy the
greens all the sentries stationed there
have provided themselves with large umbrieflas to prevent the corrosive fuild being
thrown into their faces.

The river Tay routes, by which the links
are reached from Dundee, which is a hotbed of Suffragism, are closely guarded, and bed of Suffragism, are closely guarded, and

2,995 PERSONS KILLED And 22.447 injured on U. S. rail-

WASHINGTON, May 20.-Defective rail washindron, may 2.—Defective rail-road equipment and tracks were responsi-ble for sixty-eight per cent. of all derail-ments in the U. S. during July, August and September, 1912, and during these three months there were 934 more train accidents, including 901 more collisions and derailments, than there were during the same months of 1911. All train accidents on steam roads dur-ing that time killed 348 and injured 4,598, an increase of 37 in the killed and 315 in ing that time killed 348 and injured 4.508, an increase of 87 in the killed and 315 in the injured during the corresponding period of the year before. These facts are disclosed in the ascident bulletin of the Jater-State Commerce Commission for the quarter-ended Sept. 30th, 1912.

Accidents of other kinds, including those sustained by employees while at work, not including "industrial accidents," make the number of casualties 2,909 killed and 22-447 injured, a total increase of 237 killed and 3.340 injured. The damage to quipment and road way by the radidents aggregated \$3,366,401, a large increase.
