HOCKEY AT CHATHAM.

CHATHAM, March 7.—There was a good game of hockey on Wednesday night in the local league series, when the Orioles won from the Micmacs after an exciting contest, by a score of 5 to 4. One or two changes had been made from the regular line-up. This victory puts the Orioles in second place and the Micmacs must defeat the Defenders in their next game to be able to tie Capt. Watson's team.

The line-up of the two teams was as

Morris Wood will start on a tour of the provinces on Monday next. Accompanied by Hilton Belyea he will visit the following towns: Moncton, where he will race Belyea on Monday night; Chatham on Tuesday; Marysville on Wednesday; Campbellton on Friday.

After the races last evening Wood issued a challenge to any amateur in the world for any distance from 50 to 880 yards in the Victoria rink and for any distance in a square rink. Hilton Belyea accepted the challenge for a half mile and will race Wood on Saturday night between the 5th and 6th bands at Victoria rink. In the first heat of the junior boys' half mile, Johnston landed first, and Walsh second.

Walsh second.

The final of the 220 yards followed. Wood, Wright, Hipwell and Belyea were the starters, Wood beat the pistol by a good margin, but the others caught him and the crowd remained bunched for the first lap, with Hipwell slightly in the lead. In the second lap he increased his lead on Belyea and Wright, but Wood was working close behind him. He was going very fast when about two-thirds round, but seemed to lose control of his feet and jammed hard into the sides. He fell, and Wood, who was directly behind, was unable to work clear and was also dumped. The men at first appeared to be hurt, but after a few seconds jumped up and kept going. In the meantime Wright and Belyea had gained a big lead and the race finished with Wright first, Belyea, second and Wood third. Hipwell's forehead was slightly bruised from his fall. Fred Logan has accepted the challenge issued by Bart. Duffy and is willing to arrange a series of races with him for 220, 440 and 880 yards to be skated at any time suitable to Duffy. In the bowling tournament in Black's alleys last evening the Electrics defeated the North Stars by a score of 1331 to 1213. The match was not up to the standard, as some of the best players were represented by substitutes. The North Stars and Beavers will play off on Tuesday night, and the fate of the league hangs in the balance.

In the finals of the small boys' half mile McGowan was easily first and Donovan second.

Rev. James T. Mitchell, when asked about the nature of the bill introduced in the legislature by Mr. Maxwell concerning the Reformed Presbyterian church, of which he is pastor, said it was merely to legalize the transfer of the church property in this city from the Irish synod to the American synod, which had been made some years ago. He could not understand the reference to woman suffrage which had been made in one newspaper report about the introduction of the bill. There was no mention made in the act of extending the vote to women in church matters. None was needed, as the ladies already enjoyed that privilege in the Reformed Presbyterian church. AN OLD GERMAN LEGEND. The Skull With the Nail Driven
Through Its Temple.

At Frieburg, Baden, in front of an old chapel rich in mediaeval painting depicting the rewards of virtue and the wages of sin, stands a great cross, at its foot a skull with a nail driven

into the temple.

A shoemaker of Frieburg, according to tradition, died suddenly in the good old days before coroners and juries were too inquisitive and was buried near where the cross stands. Scarcely had the curth upon his grave been wet by the rams before his wife took a second husband.

Neigtbors talked, but that was all.
One night the priest of the parish awoke to find standing at the foot of his bed the ghost of the dead shoemaker. The ghastly figure raised a gory lock from its forchead and pointed to a neil driven in the temple.
