Volle

By BOB SKILLEN

On Sunday afternoon Field closed its doors for the time this year, bidding adieu to the UNB Red Shirts who finished off their fine season against the Dalhousie Tigers. Field had previously said good-bye to the Bombers and the Red Shirts and was now making its final congratulations on a job well done.

Now the focus of attention of UNB turns to the Beaverbrook Gymnasium where the winter sports take over. Such report is volleyball.

This on Sunday, Nov. 13, at 1:00 p.m. the UNB Red Shirts open their season again against the perennial "power house", the F. X. X men. It is the beginning of a long season which they hope will bring them to the CIAU's top spot in February. Currently the team is ranked number 8 in Canada.

The team has a different coaching staff this year, being co-coached by Malcolm Early and Sonny Kiy. Sonny an ex-player, was added to the coaching roster this year because of the absence of Peter Collu. Peter was Coach Early's right hand man for several years.

When asked how he felt about working as a co-coach with Early, Sonny sounded enthusiastic. "Oh great. We get along well. He is very knowledgeable. Kiy, this year's captain, was added to the coaching staff with the coach and added to the roster because he was good to have another player who is on a good level with the veterans.

The team this year is composed of both rookie and veteran players. The returning veterans.
