

You can't predict the future.
But you have the power to shape it.

It's why many of us come here. We want to make a difference. We want to challenge the old rules. And maybe even make some new ones.

To that end, we think we can help. An Apple Macintosh[®] computer can give you more time to think by making it easier for you to work.

The easiest computer to use, Apple continues to lead the way with powerful technology like the new Macintosh LC 475 computer.

That's not all. For what you might expect to pay for a 486 PC clone, Macintosh technology could be at your fingertips. And now, for a short time, there are special prices on Macintosh computers with Apple printers. Plus, there are no monthly payments for three months.*

It does more. It costs less. It's that simple. Come see the student experts, your Authorized Apple Canada Campus Dealer. Discover the power to be your best.

PCPC is located on the Dalhousie campus in the basement of Howe Hall. Drop by Monday through Friday from 12:30 to 4:30 pm or phone us from 9:30 am to 4:30 pm at 494-2626.
