Wholesalers' diploma course

Canada's first diploma course in wholesale administration will commence in September at Humber College of Applied Arts and Technology. According to its originators the wholesale administration program, as it is called, will fill a big educational gap in the industry.

The program will be established as a co-operative work and study program by Humber College and the Canadian Wholesale Council. Students will enrol with both the college and a wholesaler

Mini-skirts and maxi-fun were the orders of the day at the opening of the new Sunoco service station at Dixie rd. and Bloor st. Manager Dusty Erickson-Brown is shown here with Helene Gargan, Darlene Brothers and Helen Karpowicz.
