 I have secured the right to travel  
 first class to 2<sup>nd</sup> class free, and  
 to take one day in the company's  
 boats - going wherever I like - free  
 of charge. I shall probably go  
 around the lake by Geneva some  
 fine day when I get my article  
 done. The chief drawback to all  
 my pleasure is that generally I  
 have to go alone, and I would much  
 rather have a comrade and friend  
 to share my pleasure with. The  
 young fellows in the pension here  
 are only boys of eighteen (a new
