

NEARING the half century of continuous progress the Canadian National Exhibition will again present at its forty-sixth annual renewal, August 23rd to September 6th, next, an exposition of the choicest products of Art, Science, Industry and Agriculture.

The official opening, Saturday, August 23rd, will be honored by the presence of Vice-Admiral Sir Frederick Laurence Field, K.B., C.M.G., together with his Staff and 200 Officers and Men from the Special Service Squadron of His Majesty's Navy, now on its homeward journey, after visiting the outposts of Empire on all the Seven Seas.

The President and Directors have pleasure in extending to you the enclosed Complimentary Season Ticket with the wish that you will make full use of it at any or all times.

Very truly yours,

CANADIAN NATIONAL EXHIBITION
