Ottawa, July 28th, 1926.

Dear Dr. Maloney:

You asked me for some copies of Mr. Meighen's Hamilton speech. I have only two copies on hand outside of my newspaper clipping and I am sending you these. No doubt in the riding of South Renfrew a stenographer can be found to make some more.

Yours faithfully,

Private Secretary.

Dr. H. J. Maloney,

Eganville, Ontario.
