My dear Fred:

I just received your letter of 26th January. Am glad indeed to hear from you and to know that you are getting over your crippled condition and will be ready for battle again.

I have been asking Phyllis about you, of course, regularly and she tells me that you expect to return before any great length of time. Hope you will be staying at Toronto on the way West.

The book which you are sending has not yet arrived but I will give it attention when it does. Thank you very much.

My most earnest desire about you is that you fully recover, and take no chances until you do.

Very sincerely yours,

Mr. Fred W. Clayton,
Tomcombe,
Porthtowan,
Redruth,
Cornwall,
England.
