Ottawa July 18, 1908.

Sir,—

By Order in Council 13th May 1893 the block of land near Lytton, shown on the enclosed plan was set apart for the purposes of an Indian Industrial School. The said land consists of three lots Nos. 1, 2 and 3 situated at the North West corner of Lot 225, G.I. containing 15 acres. It appears that no use has been made of this land and it may not be required. I have to request you to be good enough to enquire into the case and send your report thereon together with your views as to whether the said Order in Council may be rescinded and the land relinquished to the Department of the Interior.

Your obedient servant

Secretary.
