Township of Graham con-
sists of 54th acres and
in the Township of Stables
24th acres.

In your letter above
referred to you state that
correct plans of the station
grounds which have been
selected and on which stations
have been built will be in
due time transmitted to
the Department and authority
acted from the Privy Council
for the right to purchase
the station grounds. I beg
to state in this connection
that similar authority is
required for the acquisition
by the Railway Company
