

427012-29

Ottawa, 6th June, 1914.

Sir:-

Referring to circular letter to you of the 29th May, and your communication of the 2nd. instant, I beg to say that the Department does not desire you to make a special trip to any of the reserves in your agency in connection with crops sown, etc. and new land broken, as referred to, in the circular. You should, whenever possible, without incurring any additional expenditure, furnish information on this subject to Head-quarters, but the Department, as stated above, does not wish you to incur a special trip in the matter. While the circular letter in question relates in a measure to matters connected with your agency it refers more particularly to returns from other Indian agencies where information in regard to crops, etc. can be procured readily without expense.

Your obedient servant,

R. S. McKenzie, Esq.,
Indian Agent,
Kenora, Ont.

L. H. McPherson
Asst. Deputy and Secretary.
