Lovell's Series of Directories.

*Dominion, Provincial, County, City,
and Town Directories.*

THE want of accurate, reliable and intelligible Local Directories has been commonly felt and generally expressed by all classes in Canada, and only in a less degree by the inhabitants of the neighboring Provinces. Indeed the complaint has become so common, and the requests to remove it so urgent, that the Publisher of the DOMINION DIRECTORY has determined to make the experiment, and discover for himself what encouragement may be expected for such books as the commercial public have very generally concurred in asking for. Should the first experiment turn out satisfactorily, it is the Publisher's intention to follow it systematically, and at stated periods, with new and enlarged editions of the same works. He begs further to say that whether such Directories be general in their character, like the Dominion Directory; or local, like the Provincial Directories; or Municipal, like the County, City or Town Directories, they will in either and all cases be prepared with the greatest care, constructed on the simplest plan, printed in a uniform manner and bound according to a uniform pattern.

As the Publisher of the DOMINION DIRECTORY is thoroughly acquainted with the modes in which information for such uses should be obtained, and as he has accumulated an immense stock of the requisite materials, and gathered about him a reliable body of men, who by constant employment as agents or artisans, have made themselves practically acquainted with every branch of this department of industry, he is able to offer guarantees of his ability to satisfy the commonly expressed want by printing and publishing accurate, reliable and intelligible Directories.

The Publisher has no hesitation in guaranteeing as thorough correctness as it is possible to attain, and respectfully points to the accompanying Directory as an example of the character of the work and of the workmanship he will study to maintain in the projected series. Intimation from merchants and gentlemen in localities where the want of a Directory is recognised, would be accepted as a special favor, and acted upon wherever practicable.
