

## PREFACE.

---

*To the Members of the Association of Provincial Land Surveyors of Ontario :*

THE following Report of the Proceedings of the Association at its Fifth Annual Meeting, held in Toronto, in February, 1890, is now brought before you.

The Papers read were full of instruction, and we feel that the thanks of the Association are due to the writers for their selection and treatment of the various subjects presented. Many points of value to the profession were discussed in connection with the "Question Drawer," the Land Surveying Committee having paid much attention to this feature.

Owing chiefly to the epidemic that prevailed at the time of meeting, the attendance was not quite so large as at the meeting of 1889.

Several new members have joined the Association during the past year.

We would impress on the members of the Association that it is desirable to have as large an attendance as possible at the Annual Meetings, in order to have full discussion on each of the subjects presented.

Respectfully submitted on behalf of the Executive Committee.

A. J. VANNOSTRAND,

*Secretary.*
