BARN FLOORS

Made with the
New-Process

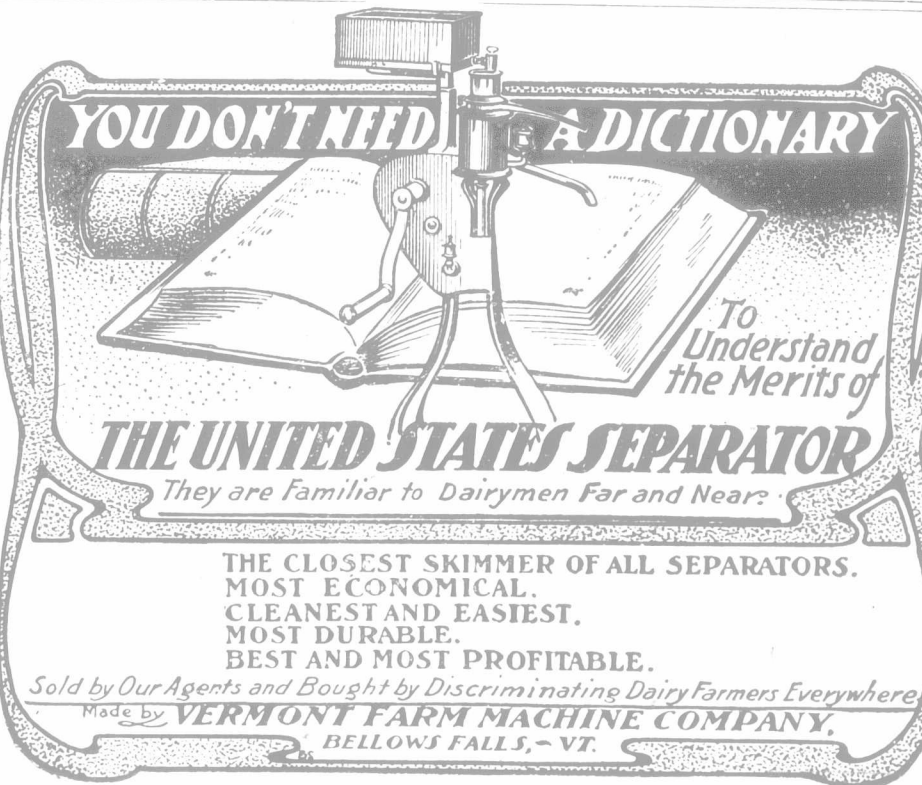

QUEENSTON CEMENT

are the cheapest and best.
Read what our customers say:

Mr. I. Usher, Queenston, Ont.:
In the fall of 1900 I laid stable floors with Portland and Queenston cement gauged in
the same proportions with gravel, and find the Queenston barrel will do as much work
and is just as durable as the Portland barrel, although I was led to believe by interested
parties that this was not true, but am forced to admit the proof in my own stables.
Yours truly,
(Sgd.) D. D. ROGERS, ex-M. P.

We have many such testimonials coming to us every day, voluntarily, but space will
not allow us to publish them here. Do not be misled by statements from those who sell
the goods most profitable to themselves. Write for prices, estimates and full particulars.
