LIFE INSURANCE

1909

has been a year of memorable success for The Great-West Life Assurance Company. Approximately \$11,500,000 of business has been written, covering about 5,000 Applications. The Insurance held in force is now over \$45,000,000.

During the year, the main source of the Company's success—the interest rate on investments—has been well maintained. Over seven per cent. has been earned on investments. As a natural result the low rates of premium charged for Insurance continue, and the high profits being paid to Policyholders.

The New Year promises great development in the Company's operations. Those needing protection will continue to see the advantage of taking Policies that cost less and return higher profits than obtainable elsewhere.
