## \$26.40 a Year

payable for twenty years only, will purchase a \$1000 Insurance Policy in the Great-West Life Assurance Company on the Limited Payment Life Plan, at age 21.

At the end of twenty years the Insurance will be paid for, and a paid-up Policy will be issued for \$1000. The profits earned under the Policy will then be payable, unless, as may be chosen if desired, these profits have been already paid at the end of each five-year period.

During the twenty years the Policy carries liberal loan values; and at the end of the period, if the policyholder so desires, the contract may be surrendered, and the total Cash Value obtained, showing an excellent return on the outlay—while the twenty years protection will have cost nothing.

Personal rates and full details will be furnished on request. State age.
