

# MUSIC

Music should play a more important part in the everyday life. The good old songs and melodies you like so well should be heard oftener. Your heart should be opened up to the late "hits" so full of modern tunefulness and inspiration.

The Mason & Risch Player-Piano will fill your need—will with a half-hour's practice enable you to play with perfect abandon your old favorites, or the new songs and dances, and within a day or two you'll be playing the artist's great works as though the keys of your piano were being touched with a master hand.

You will enjoy having a demonstration of the Mason & Risch Player Piano, and we will enjoy fully explaining its many merits. Come in soon—learn the wonderful wealth of entertainment embodied in one of these perfect Pianos. Learn of the convenient terms which can be arranged for purchase.
