

LIVE STOCK MARKETS. TORONTO.

Receipts of live stock at the City Market were 75 carloads, composed of 983 cattle, 709 hogs, 1089 sheep and lambs, 171 calves and 11 horses.

Few good cattle were on sale, more of which would have sold, and too many common cattle, some of which were not sold at the close of the market. Trade was good for a few of the best cattle, but very dull for the medium to common grades, with prices for the latter lower than at the Junction on Monday.

Exporters—A few exporters were offered and quoted as sold at \$5 to \$5.35 per cwt. Export bulls \$4 to \$4.50 per cwt.

Butchers—The best butchers were quoted at \$4.60 to \$4.80; medium at \$4.25 to \$4.50; common mixed at \$3.50 to \$3.75; cows at \$2.50 to \$3.50; canners, \$2 to \$2.25 per cwt.

Feeders and Stockers—Few feeders and stockers were on sale. Common stockers, 400 to 700 lbs. each, sold as low as \$2.30 per cwt; light feeders, 950 lbs. each, sold at \$3.50 per cwt.

Milk Cows—Trade in milkers and springers was dull, the demand having fallen off on account of farmers being afraid to buy, pastures having failed. Prices ranged from \$25 to \$50, the bulk selling around \$35 to \$45.

Veal Calves—There was a good demand for good calves as usual, and all classes sold. Prices ranged from \$3 to \$6.50 per cwt, the bulk going at \$5 to \$5.50 per cwt.

Sheep and Lambs—Export sheep sold at \$4.50 to \$4.85 per cwt.; rams at \$3.50 to \$4 per cwt.; lambs at \$5.50 to \$6.25 per cwt.

Hogs—The run of hogs was light. Mr. Harris quoted prices unchanged at \$6.75 for selects and \$6.50 for lights and fats, with market easy.

Ayton Aug. 8.—A disastrous fire occurred at Hampden, near Ayton, this afternoon, when the extensive sawmill, shingle mill and lathmill owned and operated by the Miller and Seim firm was wiped out by fire. Their entire stock of this season's cutting of lumber, lath and shingles are completely gone, including the three mills and machinery, with total loss of \$7000. The fire originated by a spark from the shingle mill. Every effort was made to prevent its spreading but owing to the extremely dry season the fire spread and consumed the entire plant. The high wind blowing carried the fire into the fields and quickly consumed the dry crops, and the farmers in the vicinity had hard work in saving their barns and houses. The loss is covered by insurance. Miller and Seim intend rebuilding at once.

HOW SHE FIXED HIM.

"Will you do something to oblige me?" shyly asked a beautiful young woman of a timid young gentleman whose acquaintance she had just made at a small gathering in St. Vincent.

"Anything that I can in honor, miss," he replied, blushing.

Well, she said, "come into the back parlor, where it is dark, and sit on the sofa with me, and let me rest my head on your shoulder, and you pretend to whisper in my ear—only don't blow, because that tickles, and I can't laugh, for this new dress is very tight—and when anybody looks, you can draw your arm away—I forgot to say I wanted you to put it round my waist—and I'll pretend to blush."

"But my gracious, honored miss!" stammered the young man, after hastily dividing four into 1907 and finding that it wasn't leap year, my goodness before all these people—and I'm engaged—and your father must weigh—"

"Hush, I know what I'm up to," replied the artless girl. "I'm engaged, too, to that young man talking to the waxen faced thing with somebody's hair over there. I want to stir him up—bring him down to business—make him come up to his milk, that's all."

The young man said that a load had been lifted from his bosom, and aided her to the best of his ability—so well, indeed, that in three quarters of an hour the true betrothed got his girl into the library, demanded an explanation of her shameless conduct, was softened by her tears, called himself a brute, asked if she could ever forgive him, and promised to behave better in the future.

PANDORA RANGE

HOLDS FIRE ALL NIGHT

The good housewife always feels like bestowing upon the Pandora a cheerful "good morning."

Why? Because the Pandora always has a nice bed of hot coals as a reward for checking off the dampers closely before retiring to rest.

In five minutes after turning on the drafts she will have a good, strong fire.

Should she sleep two or three hours longer than usual there will still be a fire ready for her.

The fire-box, flues and dampers are so scientifically arranged that the Pandora can be

regulated to hold a fire from 24 to 36 hours.

Pandora owners never have their sleep disturbed with dreams of making a new fire in the morning.

Toll roads in western Ontario are a thing of the past. There are said to be only about a dozen toll roads in the whole Province, and these are located in eastern Ontario. The vested interests in all the toll roads have been wiped out by purchase. In some instances the Government came to the assistance of the local municipalities, but in other cases the municipalities had to find all the money. They seem to have been a great nuisance, and to those who had to use them it must be a great relief to be rid of them.

PAIN

Pain in the head—pain anywhere, has its cause Pain is congestion, pain is blood pressure—nothing else usually. At least, so says Dr. Shoop, and to prove it he has created a little pink tablet. That tablet—called Dr. Shoop's Headache Tablet—coaxes blood pressure away from pain centers. Its effect is charming, pleasingly delightful. Gently, though safely, it surely equalizes the blood circulation.

If you have a headache, it's blood pressure. If it's painful periods with women, same cause. If you are sleepless, restless, nervous, it's blood congestion—blood pressure. That surely is a certainty, for Dr. Shoop's Headache Tablets stop it in 20 minutes, and the tablets simply distribute the unnatural blood pressure.

Bruiise your finger, and doesn't it get red, and swell, and pain you? Of course it does. It's congestion, blood pressure. You'll find it where pain is—always. It's simply Common Sense.

It is not improbable that the financial embarrassments of the Southampton Furniture Company will result in a reorganization of the enterprise. A meeting of the creditors will be held in the office of the assignee, Mr. E. R. C. Clarkson, on August 15 at 3 o'clock. The liabilities are \$100,000 and the assets about \$150,000. The business is being continued in the meantime by the assignee. Mr. C. M. Bowman, M. P. P. for North Bruce, is interesting himself in the reorganization movement, and the probabilities are that additional capital will be put into the company.

Let me mail you free, to prove merit, samples of my Dr. Shoop's Restorative, and my Book on either Dyspepsia, The Heart or The Kidneys. Address me, Dr. Shoop, Racine, Wis. Troubles of the Stomach, Heart or Kidneys, are merely symptoms of a deeper ailment. Don't make the common error of treating symptoms only. Symptom treatment is treating the result of your ailment, and not the cause. Weak Stomach nerves—the inside nerves—means stomach weakness, always. And the Heart and the Kidneys as well, have their controlling or inside nerves. Weakness these nerves, and you inevitably have weak vital organs. Here is where Dr. Shoop's Restorative has made its fame. No other remedy even claims to treat the "inside nerves." Also for bloating, biliousness, bad breath or complexion, use Dr. Shoop's Restorative. Write for my free Book now. Dr. Shoop's Restorative sold by R. J. Barton.
