## COL. HUGHES' MESSAGE TO DEPARTING TROOPS

### Minister of Militia Bids Canadians Farewell, With Confidence They Will Give Good Account of Themselves and Win Deathless Reputation.

QUEBEC, Sept. 30.—The following farewell message was issued in pamphlet form by Colonel the Hon. Sam Hughes, Minister of Militia, to the contingent before it sailed to England—

**Where Duty Leads**

"Fellow-citizens.—Six weeks ago when the call came to arms, inspired by that love of freedom from tyranny dominant in the British race, actuated by the knowledge that, under British constitutional responsible government, you enjoyed the utmost of human liberty, you loyally and promptly responded in overwhelming numbers to that call.

"Twenty-two thousand men were requested by the motherland. To-day upwards of thirty-three thousand are en route to do duty on the historic fields of France, Belgium and Germany for the preservation of the British Empire and the rights and liberties of humanity.

"Last of power, the subjugation of inoffensive and law-abiding neighbors, autocratic aggrandizement, have caused this war. In its cause the allies are guiltless.

"Belgium and Holland have long excelled in Prussian ambition for ownership. Austria has desired extension towards the Euxine and Aegean Seas. Insane lust of conquest brings ruin, rapine and misery in its train.

"It has long been predicted that when the Kiel Canal would be completed Germany would begin the long dreaded war. The Kiel Canal was begun before the end of that month. Germany was found absolutely ready and waiting. Great Britain, Belgium and France were unprepared. Three weeks elapsed before the regular armies of the latter countries could take the field.

**Marvel in Eyes of World**

"Soldiers! the world regards you as a marvel. Within six weeks you were at your homes, peaceful Canadian citizens. Since your training camp has been secured; three and a half miles of rifle ranges—twice as long as any other in the world—were constructed; fences were removed; water of the purest quality reached your pipes; drainage was installed; crops were harvested, roads and bridges were built; ordnance and army service corps buildings were laid down; woods were cleared; sanitation was perfected so that illness was practically unknown, and thirty-three thousand men were assembled from four points, some of them upwards of one thousand miles apart. You have been perfected in rifle-shooting, and to-day are as fine a body—officers and men—as ever faced a foe. The same spirit that accompanied the great work in the fields of Europe. There will be no faltering, no temporizing when the work must be done. The task before you six weeks ago is now successfully accomplished. So, following the same indomitable spirit, you will triumph over the common enemy of humanity.

**Certain to Give Good Account.**

"That you will render a splendid account of yourselves for King and country is certain. You come of the right breed—English, Scotch, Irish, French, Welsh, German and American—your courage and steadfastness are proverbial. In South Africa your presence was a guarantee of success. So in this most righteous struggle on the part of Britain, when side by side with soldiers from the motherland stand the freemen from the Dominions, New Zealanders, South Africans, Hindus, Newfoundlanders and Canadians tread the soil of Europe, then will the Prussian autocracy realize the gigantic power of liberty.

**No War on German People**

"And amid it all you will never forget that you war not on the innocent and lovely people of Germany. Your aim is the overthrow of tyranny and aggrandizement. Every man among you is a free-will volunteer. No one has been invited. No more typical army of freemen ever marched to meet an enemy.

"Soldiers! Behind you are loved ones, home, country, wife, all the traditions of liberty and loyalty, love of King and constitution. You bid adieu to those near and dear to you. You sing:

"I go, then, sweet lass, to win honor and glory, and I'll bring thee back to me gloriously home.

"I'll bring a heart to thee with love running o'er, And thou'lt see thee and the homeland no more.

**The Conviction of All Canadians**

"That you will so bear yourselves, individually and collectively, where duty may call you, as to win the respect of the foe in the field, the admiration and regard of the good citizens of all lands in which your lot may be cast, and the love and regard of those near and dear to you, is the conviction of all Canadians.

"And when, with years and honor crowned, and hear no more the stirring sound of arms, you return, you will be greeted by love and give one hip, burrah. And pledge the memory of the day when you return, all will be there, and met the foe in the morning.

**Heroes' Deathless Honor.**

"Some may not return—and pray God they be few. For such, he only will give one near and dear, and by a grateful country, but throughout the ages freemen of all lands will revere and honor the heroes who sacrificed themselves in preserving unimpaired the priceless gem of liberty, but the soldier going down in the cause of freedom never dies—immortality is his. What recked he whether his resting-place may be beneath the golden lilies of France or amid the vine-clad hills of the Rhine? The principles for which you strive are eternal.

"May success ever attend you, and when you return, rest assured a crowning triumph will await you.

"Sam Hughes, Colonel.  
"Minister of Militia and Defence for Canada."

**MARKET REPORTS**

CHICAGO, Sept. 29.—Wheat price flattened out today after a decided bulge, due to reports of the closing of the Dardanelles. The huge increase of the world's available supply total was chiefly responsible for the collapse of the market. Closing prices were weak at 34c to 34c under last night. Corn finished 1 1/2c to 1 1/2c down, oats off 1/2c to 1 1/2c and provisions from 30c decline to an advance of 25c.

**MONTREAL GRAIN MARKET.**

MONTREAL, Sept. 29.—The local situation in grain today has shown no change. Demand from abroad was again very light and little or no new business was reported closed.

Cash did not improve with the lower prices quoted and dealers here seem quite satisfied to wait.

Hay was neglected. The increased prices in cheese have curtailed the demand for local produce to a large degree, and little or no new business for export was done.

Provisions for local houses, but no big movement is taking place. Butter will realize Saturday's decline. The feeling prevails here that for at least a short while the present prices will continue steady. Provisions were easy and unchanged. Eggs were quiet but steady.
