deered three of the largest bakeries, ordered them to discontinue all baking except bread and instructed the bakeshops where strikes are in force to get their supply of bread from the federal bakeshops.

The low average is easily accounted for—the war. The cry has gone forth, "We must have help on our farms" and the pupils have responded nobly.

The Education Department has issued a regulation permitting pupils to leave school not earlier than the following explanatory remarks:

The Board the attitude of the High School inspector regarding the science room equipment. The general impression was that this is not an opportune time to attempt extensive overhauling; that a school twenty years old cannot be expected to have a brand new appearance.
