How much foundation there is to this report, we are not in a position to state. Should it be true that he was not killed, he will likely be run down by the R.N.W.M.P. in a short time.—Lang Recorder.

**MUSICAL FESTIVAL**

(Continued from page 1.)

J. Waring, Regina; B. W. Wallace, Prince Albert; A. D. Dickson, Qu'Appelle.

Of the lady singers special mention may be made of Miss Castleden of Mossomin, who sang "Awake," every word of which was quite distinct, and the audience were delighted.

Butler of Qu'Appelle, sang the well-known song, "Good-bye," very effectively, and Miss Jickling of Regina, "The Swallows." The other lady singers were Miss E. Elkerton, of Chamberlain; Miss O'Connor, Regina; Miss Marshall, Regina; Mrs. W. Binning, Lumsden; Miss Cote, Kamsack, and Miss M. Mair of Lumsden.

From 6.30 to 7.30 in the Metropolitan church the competition for class A choirs was held, the competitors being three Regina choirs. The Methodists were the first to sing and their rendering of the "Magnificat" and the test anthem, "Look on the Fields" was excellent, the expression and time with which they sang had a marked effect. St. Paul's choir followed with the Anthem, "The Morning Stars" and afterwards the test piece. Their singing was also very good, but the time in places was a little erratic. Then came the Presbyterian choir, who sang the test anthem first, following which they rendered Mendelssohn's "Hear my Prayer." Their singing was certainly very good, and exactness of expression and time in both pieces was evidence that they were well trained.

The evening session was delightful all through. The auditorium was crowded, and the opening piece, namely the overture from the "Poet and Peasant" by the orchestra was vigorously encored by the vast audience, and they were rewarded with Men-

delsohn's "Spring Song" which was equally well rendered and also appreciated. The Conde ladies who were favor at the beginning of the Festival, were again in evidence, and skillfully rendered "Crossing the Bar" and "The Lord's Prayer" as an encore. The Lumsden Philharmonic Society gave several choruses from "The May Queen," conducted by J. Edward Fisher, which was also very good.

**MINARD'S LINIMENT Co., Ltd.,** Yarmouth, N. S.

Gentlemen,—In January last, Francis Laclare, one of the men employed by me, working in the lumber woods, had a tree fall on him, crushing him fearfully. He was, when found, placed on a sled and taken home, where grave fears were entertained for his recovery, his hips being badly bruised and his body turned black from his ribs to his feet. We used MINARD'S LINIMENT on him freely to deaden the pain and with the use of three bottles he was completely cured and able to return to work.
