## THE ATHENS REPORTER, JULY 3, 1894

## LOCAL SUMMARY.

Cheese, white and colored, ruled at bec at Brockville on Thursday last. A total of 3848 boxes were offered.

for sale cuesp—at A. values. A Lombardy correspondent says :— Trading horses is not always a paying business. As a result of a tra's some time ago Mr. Altan Barr found last week that he had a diseased animal on his hands, and on consulting the veterinary surgeon, Dr. Manhard, learned that his horse had the glanders. It was to one shot and four more

It was at once shot and four more placed in quarantine. Bir John Thompson introduced the franchise bill in the House of Com-mons last week. The basis of the Provincial fránchise is adopted, but Dominion returning officers are main-

Provincial franchise is adopted, but Dominion returning officers are main-teined. The Premier announced it was probable that another revision after this year's would take place before a general election. The lists, it is expected, will be revised every ver.

The notion that any kind of au ad. wild o, results in frequent advertising failures. Why the same amount of at tention should not be expended on the advertising of a firm that is given to other branches, is an enigma. Nothing pays that is conducted on unsound prin-ciples, and it is not good business to advertise of the same and when Livingston pulled out \$19, which the fakir counted, put in his pocket, and the same a

pays that is conducted on unsound prin-ciples, and it is not good business to accept anything but the best when you pay a first-class price. It costs as much to run poor ads, as good ones; the fact is it costs more, for you loss An immense deer's horn was un-earthed a few days ago on the farm of H. Williams, con. 5, East Zorra. It is four feet long, and when on the animal's head must have measured five the profits you might realize if your space was occupied by a trade-drawing advertisement. feet long. It had five prongs on it, one of which had been broken off; Great is the bicycle. A few years ago it was all but unknown ; to-day it is estimated that in Canada and the the earth for many years.

boy, bathing in the yellow waters of problem in this way. A very queer Craft. There came trailing into Quarantine the other day, says the New York World, one of the queerest crafts that has ever passed inside the Hook. Save for the fact that she bore no guns about her deeks and that her name-Turret Age-was painted on her bows, the marine sharps would have all taken her for some ship of war. The crew of the queer vessel desoribe her as a whaleback, and in certain re-spects ahe it one. But she is so different from the common type of whalebacks first launched on the Greest Lakes that she may be said to represent a particular type of her own. A peculiarity of this peculiar craft is the manner in which she is steered. Instead A peculiarity of this peculiar craft is the manner in which she is steered. Instead The crew of the quear reation the steered and that her might go. But the white man had a family, and did not passed and that her might go. But the spects ahe it one is steered. Instead A peculiarity of this peculiar craft is the manner in which she is steered. Instead A peculiarity of this peculiar craft is the manner in which she is steered. Instead A peculiarity of this peculiar traft is the manner in which she is steered. Instead A peculiarity of this peculiar traft is the manner is which she is steered. Instead A peculiarity of

street west where he did after. An inquest will be The young men who were rig drove off rapidly im getting their horse clear, and arrested and are in the result of the inquest Kincardine's Alleged Murder

Rineardine's Alleged Murder. KINGARDINY, June 25.—Interest here watheon, who disappeared after a dance at a hotel last November and for whose murder Seeman Laird has been arrested, is intense. The clairvoyant from Port Huron is expected back again to locate the body. Now a man named Richardson makes a startling statement and in the presence of the majestrate, too. He says he was in one of the rooms of the hotel with Matheson, Laird, who has been ar-rested, and Izzard, a butcher. He says he was under the influence of liquor, but knew what was going on. There was trable between Matheson and Laird, and Liszard got Matheson in a corner, Richardson could not see what they were doing. He would not sey Matheson even let the. house alive.

left the house alive. Disspeared From London. Loxnox, Ont, June 25.—Mr. Thomas W. Bicks, a prominent young man of this city, is supposed to have left for parts unknown, and friends, creditors and sweet-heart are sorrowing as a result. Birke was formerly bookkeeper for the firm of Storens, Clark & Stevens, but had lately entered business on his own account in the junk line. He was a leading light in a Sunday school. He was engaged to marry an estimable young lady who stands high indebtdness is not known. Two German Sallors Killed.

Two German Sailors Killed. BERLIN, June 23.—While passing Bin-gen the Rhine steamer Hamiel burst a steam pipe, Two sailors were killed and several others were injured.
