Claims That Lumbago Can be Cured He Himself Had Suffered for 25 Years Hope for Apparently Hopetess Cases.

Economy Point, N. S., June 16.— Special).—Mr. George S. McLaughlin, of this place, claims to have found a remedy which will care any case of Lumbago.

. McLaughlin himself has been a great sufferer with this disease, and has sought relief in very many treat-ments and remedies. At last, however, he came across

To be well.

"But now I am satisfied it is gone Jorseer, and know that I am safe in making this public statement.

"I believe Hodd's Kidney Pills will care any case of Lumbago or Lame Fack, for they helped me out and nobody could nave it much worse that I lad."

By M. O. N.) Dear to my heart is my native mad, the favorite child of a free-born race, now making her first appearance upon the stage of the world's action and playing her part with dignity and grace.

A soil of a poet; a soil of Acadian tears, fair Columbian hopes, and a larger vision of a great future northern land; such is hers. Oh, my own true love, my country; dear-to-my heart as heaven's light on darkened eyes; dear as is the tender flower growing in dungeon wall to the poor prisoner accept the tribute of my swelling

Never will I forsake thee, dear lovely land, nor prove faithless by accepting the harding wage of thy fair cousin, the great Republic, I. Hwe for thee; and when the great future lies heavily upon my heart, I will breathe my last with head resting upon thy sympathetic bosom.

Railroad.

has sought relief in very many treatments and remedies.

At last, however, he came across a medicine which completely cured him, and which he claims any sufferer from Lumbago grould be told of.

He says:

"I was troubled with Lam Back for 25 years or more, Sometimes it was so severe 1 could not turn myself in boll.

"A slight cold or hard lifting would bring on a fearful attack and give me awful pain.

"I had tried many medicines and treatments, but never found any thing to do me any good until I heard of bolds Kidney Pills.

"My brother, who kept a small grocery store, and sold some and grocery store, when he was looking for more than the had heard that he had heard they had cured a great many poople and the story by some.

"Billy" used to call his story by some of the missue grocery work and a farth at the had cured a great many brocked the story by some of the story by some of the process that he that the had heard that they had cured a great many brocked the story by some of th

Speaking of haggis, the Boston Journal recalls the experience of a layorite actor who was accustomed to spend his summers in Wilton, Maine, There he noted, when, as the custom was, a farmer "killed a critcustom was, a farmer "killed a crit-ter," the liver, sweetbreads, kidneys, gue, were thrown away, lie offered to purchase these delicacies, but though he got the goods, the "sturdy farmer scorned his proffered gold." Not long after he observed as he Not long after he observed as we was the cynosure of all eyes, and was followed by a wondering if not a miring lowed by a wondering if not a miring than the princes of the Church. As ion," and he was mightily puffel up till he overheard one yokel shout to another: "Bill, there goes the feller what eats innards."

Minard's Liniment Cures Dandruff.

Pampering the Throat, "Yes, I know-another cold!" said a dector. "I do not know what medi-cal men would do if it were not for garments set asade for each day in the year, and varying in color, weight and value according to the occasion and the season.

In Lent, the Papal raiment from shoes to cap is of searlet. The Easter days demand other colors.

Every item of each costume is the surplices worn at audiences are of priceless old lace. Nowhere in Europe is there a more valuable and interpolation of lace. esting collection of lace.

The slippers of the Pope are legion and each pair is of finest velvet. The right slipper, which is kissed by pilgrims and other pious visitors, bears a cross in gold embroidery; while on the left are embroidered the crest, large there are combroidered to the crest, large there are slipped as a cough."

Scarcity of Servants in Englands.

The Lincolushire hiring fairs, which are held in the various towns of the county every year during the month of May, have just been concluded, and show a great scarcity of women servants—a feature which has become more and more pronounced during the month of my life. servants—a feature which has become more and more pronounced during the last few years. Experience tservants have commanded higher wages than previously, and many mistresses than previously, and many mistresses are still without maids. Male servants have also been scarce.
