For Berries—the nicest kind to use. Fine and dry, it dissolves easily.

7c. a Pound.

Better not run any risk with the old rubber rings. With usage they get thin, and let the air in. New ones cost so little, it's not worth while running any risk.

HO'D YOU LIKE TO BE ME? (By The Khan.)

I'm a bride, O girls, a bride; Hither quick, and see me.

I'm a bride, I'm a bride, I'm a bride; How'd you like to be me?

Fate—he's painted yellow. Tried to twenty-three me. But Cupid (dear old fellow) Came one night to see me.

O, Girls!

I'm a bride, I'm a bride, I'm a bride; Hither quick to see me.

I'm a bride, bride, I'm a bride; How'd you like to be me?

Here's roses white and red, Here's roses pink and creamy, Their odors yet unshed, They're soft and sweet and dreamy.

O, Girls!

O, girls, the world is hoamy, Full of rays of light.

Crazy do not deem me, I'm wild with sweet delight.

A little band of gold, A kiss, a hug, did fee me;

Ladies, young and old, How'd you like to be me?

O, girls, girls, girls, Girls, girls, girls, girls, Girls, girls, girls!

Hither come and feel me, His hoop of gold did fee me. Here he comes to steal me— How'd you like to be me?

—The Khan.

AN EFFECTIVE CURE

Canoeing on the picturesque Thames in the vicinity of Chatham is rendered perilous by the conduct of young cubs bathing in the river, who surround and rock the cranky craft to the terror of the occupants.

These hoodlums cannot be shot or clubbed, but a spraying bulb filled with the ordinary commercial ammonia of the stores will do the trick effectually. A slight discharge will induce such a fit of sneezing as will drive a cub of the canine or human variety to shore in short order, and the experience remains in the memory.—Windsor Record.

A FINISHED SCHOLAR.

Papa—Is your teacher satisfied with you, Toby?
Toby—Oh, quite.
Papa—Did he tell you so?
Toby—Yes; after a close examination he said to me the other day: "If all my scholars were like you I would shut up my school this very day! That shows that I know enough."
