W. W. Snider has exchanged the fruit farm belonging to Mr. Campbell on the lake shore, for the residence of Mr. John Barret, King street.

Miss Cora Sandison, of Cheyenne, Wyoming, who for the past few weeks has been visiting her mother on Park street, has returned. Her mother accompanied her and will spend the winter with her.

The firemen were called out by still alarm at 11.30 yesterday to Charlie Wood's cigar store on King street. The blaze was confined to the chimney, and was extinguished before any damage was done.

The store implicated in "Lunatic fair in force" are Mounteer's confectionery, Park's drug store, N. Y. Cloak Store, Turner's drug store, Cunningham's hardware store, Parrott's grocery, Parrott's book store, Hall's shoe store. Read all about it.

The Gas Company are at work on Grey street laying an extra three-inch pipe to connect with the city mains. Instead of taking the old one up and replacing it with a six-inch pipe, as was done in the country, they are laying the extra three-inch pipe and the gas will be conveyed from Lacroix street to the city mains in tow pipes.

North Chatham residents are complaining about the way the streets over there are neglected. One resident stated that the condition of Baldoon street and St. Clair street is disgraceful. The street is seldom swept and, as a result, when it is sprinkled a coating of mud and slush adorns the pavement. This matter should be looked into, as the residents are much provoked and aggravated.

A letter from Harold McDonald at Orillia states that he is enjoying the best of health. He expects to return home by Christmas.

Albert Owens, of the H. Andrews' grocery staff, is spending a few days duck shooting at Mitchell's Bay.

The Misses Gertrude and Pearl Stevenson, of Tilbury, were the guests of Mrs. McGregor last evening.

Miss Carmen MacIntyre is in the city to-day visiting her father, E. J. MacIntyre, and will take part in the concert at Wallaceburg to-night.

Miss MacIntyre's concert name is Carmen Ercell. She will also play and sing at the Ursuline Academy this afternoon at four o'clock.

SERIOUSLY ILL

The many friends of W. J. Bennett, the King street tobacconist, will be grieved to learn that he is confined to his home quite seriously ill. Mr. Bennett has been unable to leave home for the past few days, and last night he was afflicted with a slight paralytic stroke.

WAS REFERRED BACK

In the report of the City Council meeting on Monday night it was stated that Ald. Potter's report recommended that the petition of the retail grocers to have the market open to them before the hour of ten o'clock, be not acted on.

With reference to this matter, it should have been stated that Ald. Potter merely brought the matter up in his report for the whole Council to decide on. The Council decided to refer the matter back, as under existing conditions they cannot open the market to retailers without leaving it open to the egg and butter buyers.

HANGED IN OLD MILL

Wallaceburg, Oct. 25.—John Thompson of Sombra committed suicide Wednesday night by hanging himself on the premises of the old grist mill, Sombra village, in which deceased was a shareholder to the extent of \$1,200.

His wife missed him and thought it strange that he had not returned as usual, and instituted a search. The body of deceased was found suspended by a rope at 9.30 o'clock. It cannot be learned how long he was dead.

The loss of money invested in the grist mill had a tendency to turn his mind, and in a state of despondency it is believed, Thompson committed the rash act.

PILES CURED IN 5 TO 14 DAYS. Fazo Ointment is guaranteed to cure any case of Itching, Blind, Bleeding or Protruding Piles in 5 to 14 days, or money refunded. 50 cents.

FREE LIGHTS

A prominent local citizen who recently returned from a trip, drew the attention of The Planet to a feature which he had noticed in Orillia during his stay in that town.

He says that in Orillia the town supplies each resident with a verandah light, and supplies the electric current for this light free of charge. The effect of such civic enterprise may be surmised. Nearly every resident in the city has a verandah light, and on a summer's evening the display is beautiful.

The police of Orillia state that these verandah lights have had the effect of decreasing house burglaries in that town.
