RUTH STARTS TO HIT; YANKEES WIN

Record Breaking 26 Inning Tie Between Brooklyn and Boston Week's Feature

[Associated Press by Leased Wire.]

New York, May 3.—The Cincinnati world's champions won four straight games and set the pace in the National League last week. The Reds' record of six consecutive victories was checked yesterday by Cooper, of Pittsburgh.

The Chicago American titleholders, ousted from first place during the latter part of the week by Boston and Cleveland, regained the lead Saturday and held on to it yesterday by defeating St. Louis. The best showing in the younger league was made by St. Louis, which won four of its five games. Detroit, still unable to hit effectively, yesterday lost its thirteenth straight game of the season.

The record-breaking 26-inning 1-1 tie between Cadore, of the Brooklyn Nationals, and Oeschger, of Boston, was the outstanding feature of the week. The pair engaged in an 11-inning pitchers' duel in Brooklyn two weeks ago, which was won by the Superbas, 1 to 0. Brooklyn continued its extra-innings habit yesterday, losing a 13-inning game to Philadelphia.

Cincinnati's success last week was due to Ring and Rixey each winning twice. Brooklyn batted lightly and broke even on its games. Mitchell, of the Superbas, blanked New York in the rubber game of their series. Philadelphia's improved playing and batting advanced the Quakers to a tie with Brooklyn for second place. St. Louis and Pittsburgh encountered strong pitching in most of their games.

In the American League Williams of Chicago gave two excellent pitching exhibitions, holding Detroit to three hits and one run in ten innings, and Cleveland to two hits and one run. Boston lost twice by shut-outs at the hands of Johnson, of Washington, and Shawkey, of New York. Darkness ended a 14-inning struggle between Boston and Philadelphia on Wednesday. Coveleskie, who has won five straight, won twice for Cleveland and was the first pitcher to stop Chicago. Previous to Saturday's contest the St. Louis pitcher was in splendid form, yielding two runs in four games. Ruth, New York's premier long distance slugger, who resumed his place in the outfield, made his first home run Saturday and another yesterday. Philadelphia made many hits and runs but fielded poorly.

Joe Jackson Leads Batters.

Chicago, May 2.—Joe Jackson, the Chicago outfielder, leads American League batters with an average of 483 for eight games, according to averages released Saturday. Johnson, Cleveland, is second with .444 acquired in nine games, and Hendrix, Boston, with .432, is third. At bat 29 times, Jackson got 14 hits.

Ty Cobb, the Detroit star, last year's batting champion, has not found his batting eye, although he has participated in ten games. He has been at bat 37 times and has made only six hits for an average of .162. "Babe" Ruth, New York, who last season established a world's record of 29 home runs, also is slow in getting his eye sharpened for hitting.

C. Walker has bagged two home runs, and Roth, Washington, has stolen six bases.

Nicholson, Pittsburgh, is toppingthe batters of the National League with an average of .600, made in five games. He has been playing the role of pinch hitter, and in five times at bat has made good three times. Kilduff, Brooklyn, in a like number of games is hitting .500, having made six hits in 15 times at bat. Hornsby, St. Louis, with .468 made in 11 games, is third. Rousch, Cincinnati, who led the regulars in batting last year, is batting only .216 for 10 games.

Max Carey, Pittsburgh, is getting away to a flying start among the base stealers, having pilfered five bases.
