CASE UNDER SMALL CLAIMS ACT JUDGEMENT RESERVED

The case of Mary Williams against the Government Railway Management Board, commenced at Dalhousie on March 29, was finished last week. His Honor Judge McLathy reserved judgement which will be delivered on May 4th.

The action is against the Railway for mis-delivery of goods to the value of \$175.00 consigned to the plaintiff who is a Syrian shopkeeper and peddler here.

The defence offered was that the goods were delivered by the Railway to the real owner, another Syrian woman named Mary Heaney. Some interesting family difficulties were aired among the parties. The action is the first tried in this province under the Small Claims Act passed at the last session, giving county courts jurisdiction in cases of negligence against the Government Railways to the amount of \$200.00.

Wm. Murray, and H. A. Powell K. C., appeared for the plaintiff and Jas. Friel for the Railway.

OBITUARY.

MRS. EDGAR CYR

The sudden demise of Mary Amelia Josephine Clapperton, wife of Mr. Edgar R. Cyr of Little Cascadia, on the 14th inst., came shockingly to her family and numerous friends far and near. Mrs. Cyr is the youngest daughter of Mr. W. H. Clapperton, ex M. P. P., and was 33 years of age. She leaves to mourn her loss a bereaved husband and four charming little girls the youngest being born just an hour before her mother's unexpected death. The remains were taken to Maria her native place, where a largely attended funeral took place on the 17th inst. The mourners were Mr. W. N. Clapperton, the husband, her brothers and sisters, Dr. Cyr and Miss Cyr. The outburst of sympathy from all parts shown to the Cyr and Clapperton families is a proof of the high esteem in which deceased was held by all who had the pleasure of knowing her. Her sterling qualities of heart and mind made her a general favorite and we again extend our heartfelt sympathy to Mr. Cyr who loses a loving wife, a tender mother and a most charming companion.

GLENCOE.

April 20—As our flourishing little settlement is awakening with the advent of Spring, we thought a few notes would be of interest to the public in general.

A member of the fair sex was greatly disappointed because the "new sled" was not finished in time for her to enjoy the excellent coasting.

Latest reports state that the black fox is still "at large", and we greatly fear that unless some of our smart hunters improve on their methods of trapping, the animal in question will carry his valuable pelt, unharmed, to the happy hunting grounds.

We are pleased to see that the L. N. R. management have two regular trains running, which we find a great convenience. We hope that our long-delayed mail service may soon be in operation.

YOUNG BUT WISE

In a school in a Western Ontario town is a little girl who has not taken quickly to the mysteries of addition. "One 'n one" asked the teacher, while putting the class through the easiest of the addition tables. The little girl referred to was the only person in the class who couldn't give the answer. "Two 'n one" asked the teacher. The little girl smiled confidently, put up her hand and when noticed by the teacher, said, "Shoe 'n polsh".—Toronto Canadian Courier.

Is there anything in all this world that is of more importance to you than good digestion? Food must be eaten to sustain life and must be digested and converted into blood. When the digestion fails the whole body suffers, Chamberlain's Tablets are a rational and reliable cure for indigestion. They increase the flow of bile, purify the blood, strengthen the stomach, and tone up the whole digestive apparatus to a natural and healthy action. For sale by all dealers.

The house fly will soon be with us. In every stable and alley and back yard are breeding places of this pest, which carries disease into the homes of the people. An ounce of prevention is better than a pound of cure. Destroy the garbage, remove the breeding places, clean up the alleys and back yards, before the flies begin to breed, and the health of the city will be very much better throughout the summer.
