## SUDDEN DEATH OF MAJ. STRICKLAND

Commander-in-chief of "G" Division R.N.W.M.P. at Fort Saskatchewan, Victim of Dropsey.

(From Saturday's Bulletin.)

The news of the sudden death yes terday afternoon at Fort Saskatche wan, of Major D'Arcy Strickland, commander of "G" division, R.N.W.M.P., will be heard with regret by many friends in all parts of Western Canada. where the deceased was very gener ally known from his long connection ally known from his long connection SUFFRAGETTES with the Mounted police. The immediate cause of Major Strickland's demise was dropsy, from which he had been suffering for some time. It was only two days ago, however, that he was compelled to forego his regular duties. After that the end came quickly and at three o'clock yesterday aiternoon he passed away. He leaves mourn a wife and two children, a boy of thirteen and a girl of nine years of age. The funeral takes place Sunday afternoon at two o'clock and will be conducted with military and Masonic honors from his residence at the barracks at Fort Saskatchewan to

He was first stationed at Regina in the hall dramatically. Her appearance created wild enthusiasm. She explained that the prison wardress called wild enthusiasm. She explained that the prison wardress earlied that the prison wardress value, the fall of that year returned to conduct the second detachment into the Yukon over the Chilkoot pass. Mounted police posts were cestablishined by him at Chilkoot, and White passes and at Tagish. On his return he was stationed at Regina, and about for the first and the was first stationed at Regina in the hall dramatically. Her appearance created wild enthusiasm. She explained that the prison wardress earlied that the prison wardress evalue, the afternoon and informed her that the prison wardress evalue, the applied the same argument to lumber, the was to go out. She asked why this was when her sentence did not expire till tomorrow. The ward that the yukon over the Chilkoot pass. Mounted police posts were cestablishing of young to the mild weather, and so that the wheat expert of 1907 would look better than that of the applied the same argument to lumber, the was to go out. She asked why this was when her sentence did not expire till tomorrow. The ward that the yukon over the Chilkoot pass. Many other suffragetts in trade than in the latter year.

Hon. Mr. Patterson remarked that the wheat expert of 1907 would look better than that of the applied the same argument to lumber, with the applied the same argument to lumber, with the applied the same argument to lumber, with the prison of the fall deather than the deposition of the Japanese of the first way a great relief to the financial stringers favorably with the baig and information regarding trade and informat

probably transhipped to Prince Rupert, started an agitation to have the

coasting laws enforced.

This led to the discovery that the laws will not prevent Canadian bonded goods, being shipped in foreign bottoms to Canadian ports so long as they are shipped from an American For years American vessels have been handling freight from Seattle to Victoria and from Vancouver to Skagway, but it was thought they effort will be made to have the law amended to conserve the rights

SANITARIUM IN ALBERTA.

Government Is Asked to Organize Public

Ottawa, March 21.—Sir Wilfrid Laurier and Hon. Mr. Fisher this afternoon received a delegation from the Canadian ociety for the prevention of tuberculosis members of which urged that the various branches of the agricultural, immigration and inland revenue departments which dealt with the public health be reorganized and placed under one head. Dr. Lafferty of Calgary, who was the chief spokesman for the delegation, made a plea for establishment in Alberta of a Dominion Sanitarium. Owing to climabusiness in the House of Common Dominion Sanitarium. Owing to climatic conditions, he said, consumptives
