## Three Thousand Years Ago

The Temples of the Pharo's

were swept by brooms—To-day the houses of all classes of society are cleaned by the **New Thurman Vacuum Process** which is as much ahead of Pharo's broom as Wireless Telegraphy is in advance of the South African Nigger's method of Tom Tomming the news from Krawl to Krawl.

Be up-to-date and have your spring cleaning done by the **Vacuum Process** and save endless worry in removing furniture and carpets from rooms. Everything in the house thoroughly cleaned without removing a single article from the house. Orders are now being taken and dates for hire booked up until June 1st.

We guarantee you a **CLEAN SWEEP** at a moderate figure.

### HOW CAN WE COUNTER-ACT

### THE INCREASED COST OF LIVING?

A second's reasoning will supply the answer. Beef and pork are dear and getting dearer all the time, and the cost is out of proportion with their food value.

### EAT MORE BREAD.

There is more nourishment in a shilling's worth of bread than a shilling's worth of beef or pork. But the problem is not done with yet. The shilling's worth of bread is not always the same value. Breadmade from

### ROYAL HOUSEHOLD FLOUR

contains more nourishment than any other, because it contains the greatest amount of gluten, the health-giving nutriment of wheat.
