DENTISTRY

If your teeth are bad and need attention, you could not do better than call at our office and profit by the experience gained from 23 years' practice in Newfoundland. If gone beyond repair, it will be to your advantage to avail of the rooms equipped and furnished where you may have a doctor put you asleep and your teeth carefully removed. We believe that the convenience of our chloroform rooms to those who avail of them will repay for all the extra expense in maintaining them. Remember, there is no extra charge and that you will be attended by a lady.

Fall Styles.—1914

WE announced last week the opening display of our new Fall Coats. From the following description of one or two of the most elegant designs an idea good enough to make you want to see the entire stock can be obtained.

¶ Fancy Astrakan Cloth Coat in dark Tango shade, deep collar of rich Velvet, Raglan sleeves with wide armholes, fancy cuffs and pockets and broad, extra low belt effect. (Same style coat in mid. and dark mahogany Brown, Cardinal, Grey, Navy and many pretty mixtures.)

¶ Astrakan Cloth Coat in fancy Saxe and Black striped mixture. Round corners, deep collar and cuffs, lined throughout rich Saxe Satin.

¶ All styles and sizes of Ladies' Coats in the newest colors and materials.

The state of war makes our winters none the less severe. In making your old suit or overcoat do for the winter may be false economy. Protect your body from the warring elements by ordering one of our Heavy-weight Overcoatings. Owing to general depression in at a considerably reduced figure. Also a very fine range of Winter Suitings. Write for samples and self-measuring cards, as we guarantee results.
