### "Bartell" Pockets.

FOR the man who is really a good dresser and particular about his appearance, we have a splendid asset in the "Bartell" Patent Pocket which we are exploiting in our Men's high-grade Overcoats this Fall. It has special features that must surely appeal to the man who insists on always looking well-groomed and is a boon to anyone who has pockets that must be "for use and not for ornament."

¶ This season's Overcoats in Tweed, Chin-chilla, etc., with the "Bartell" pocket are very desirable garments. We carry a full stock of them in all the fashionable colors and mixtures, and in all sizes.

¶ The "Bartell" Pocket never sags or becomes untidy, while it is capable of holding far more than the ordinary pocket. Call and see our Overcoats, see the "Bartell" demonstrated, and get our prices. You'll be delighted at the result.
