Sarsayarilla is different from and superior to any other medicine. Peculiar in combination, proportion and preparation of ingredients, Hood's Sarsayarilla possesses the full curative value of the best known remedies of the vegetable kingdom. Peculiar in its medicinal merit, Hood's Sarsayarilla accomplishes cures hitherto unknown. Peculiar in strength and economy—Hood's Sarsayarilla is the only medicine of which can truly be said, "Hood does one dollar." Medicines in larger and smaller bottles require larger doses, and do not produce as good results as Hood's Sarsayarilla. Peculiar in its "good name at homo"—there is more of Hood's Sarsayarilla sold in Lowell, where it is made, than of all other blood purifiers. Peculiar in its phenomenal record of eales abroad, no other preparation has ever attained such popularity in so short a time. Do not be induced to take any other preparation. Be sure to get

THE SECOND DAY AT BARRIE.

BARRIE, Aug. 22.—The second day's races of the Turf Cibh, which were post-poned from yesterday on account of rain, were run to-day. The weather was threatening and the attendance at the park was about 500. The track was in fair condition considering the amount of rain that has fallen within the last couple of days, but it was too heavy for fast time. The programme for to-day was changed slightly owing to the 4-year-old class not filling, and a match trot was substituted. It was between Allie F., owned by W. S. Fletcher, of St. Catharines, and Maud B., comed by J. Broderick, of Phelpston. Maud B. won easily in three straightheats. Time 2.594, 2.599, 2.590. divided: sign to the straightheats. Time 2.594, 2.599,

Time 235, 2361, 2361.

The event of the day was the running race, one mile and repeat, for a purse of \$150, divided; 75 per cent. to first, 25 per cent, to second. More interest was taken in this race on account of the same horses comcent, to second. More interest was taken in this race on account of the same horses competing as in the first day's running race over which there was so much kicking. The citries were Minnie Maritana, b. m., J. Harkley, Toronto; Colonist, b. g., Northgrave & McWilliam, Oshawa; Duchess, b. m., R. R. Rogers, Stayner. Colonist won easily in both heats, but it was a hard struggle between Minnie Maritana took second in the first heat by a neck. In the repeat the owner of Duchess rode himself and succeeded in capturing second money by a length. The race was very exciting. Time, 1:521, 1:541. The only mishap of the day occured to Secretary Ferguson, who was thrown from his rig while driving in the park. The horse took fright at some children and bolted, almost turning the rig upside down. He hung on to the lines like a brick till the horse was caught. No damage was done to the horse or rig, and with the exception of a couple of bruises on the knee and a bad shaking up, Mr. Ferguson rose out of the sand secrency.
