As usual a goodly number graced the ball with their appearance, and thoroughly enjoyed themselves until the breaking up in the small hours. Opening with a grand march, a programme of 22 dances was provided, the music being furnished by Routledge's string band. Firemen's Feast.

The members of the Grand Trunk carworks fire brigade, held their annual oyster supper last night, in the fire hall at the carworks on Campbell street. There were covers for 40. The hall was very tastefully decogated with fire department emblems, pictures of winning teams at various tournaments, flags and bunting, which, combined with the bright and cheerful faces of the firemen and their invited guests, made a brilliant appearance. After the appetites of the gathering had been appeased, the flow of wit, wisdom and music commenced. Captain Jerry Laughlin was chairman. The toast to the Queen was first on the list, the company rising and singing "God Save the Queen" with orchestral accompaniment. The next toast was "The Army and Navy." which was warmly received, especially due to the fact that there are some old veterans in the car shops. "Our Railway and Its Heads" came next, coupled with the name of Mr. J. D. McIlwain, the works superintendent. "Our Guests" followed with especial reference to Chief Roe, of the London Fire Department. The vice-chair then took charge of the list and "Our Captain" with "He's a Jolly Good Fellow," orchestral and vocal, proved the toast of the evening. Captain Laughlin responded in his usual happy style. The toasts were interspersed with songs, recitations and instrumental solas by Messrs. Rockwood, Matthews, Smith, Fitzthomas, Nicholls, Comber, Welein, Teaber, Bonny, McWood and others. After spending a delightful evening the gathering dispersed at a reasonable hour.

—The torch of Hymen illuminated a fashionable company assembled at the residence of Mr. Wm. Stevely last evening to do honor to one of the most brilliant social events of the season in the marriage of the host's daughter, Miss Lizzie Stevely, to Mr. G. W. Tackaberry, of Canastota, N. Y. The natural charms of the bride were enhanced by an exquisite costume of white corded silk faille, trimmed with silk lace, while Miss Alma Stevely, dressed in pink silk, made a very pretty bridesmaid. The groom was supported by Mr. R. J. Munro, of this city. Rev. J. Allister Murray, assisted by Rev. E. H. Sawers, of Westminster, and Rev. J. McConnell, of Brucefield, performed the interesting ceremony, the bride being given away by her father. Over 100 invited guests as down to a splendid wedding repast. Among those present from 100 invited guests sat down to a spl wedding repast. Among those present a distance were: Mr. G. N. Thackah a distance were: Mr. G. N. The large collection of beautiful presents included some magnificent testimonials, the father of the groom donating a \$900 Steinway piano. The happy young couple left on a late train for the honeynoen trip to New York, Washington, Boston and other American cities, carrying with them the earnest good wishes of their numberless friends. They will take up their future residence at Canastota, N. Y.

There was an unusual stir in the delightful village of Delaware yesterday morning, when Christ Chuich was crowded to witness the marriage of Mr. Edmund Weld, barrister, of this city, to Miss Gertrude Gibson, one of the most amiable and charming young ladies of the village. The ceremony was performed by the incumbent, the Rev. S. R. Asbury. After the service the guests repaired to "Belvoir," the residence of the bride's father, Mr. Richard Gibson, where upwards of 60 relatives and friends partook of a delightful repost. The presents were most beautiful and numerous, and included valuable souvenirs from friends in England and the United States. The couple left for the West on the afternoon train.

The above list includes the finest selection of Sponges ever shown in Canada, and are all directly selected and imported from the European market at the extremely low prices given above.

After the experience of last winter, during which so many untimely deaths took place through a disease which no doubt will be long remembered by us all, the dreaded "Grip," it occurred to us that, in order to guard against any such calamity in the future, a suitable article of dress within reach of the million would be a boon to the public in every way. It was a clever man who said, "An ounce of prevention is worth a pound of cure." With this object in view we have produced an under-vest for ladies and children made out of pure Australian wool, and which we have registered at Ottawa as the "Health Hand." The grame has been submitted to, and approved of, by all the leading medical men of Canada. To realize the comfort of this under-vest you must see it and wear it, and you will be immediately convinced that all the advances we claim for it are absolutely there. These under-vests are stamped plainly with the word "Health," without which they are not genuine, and are for saic by Thes. Beattle & Co.
