

GROCERS' PICNIC WAS HUMMER

About 1,000 People Had Splendid Time in Detroit Yesterday.

TIRED BUT SATISFIED

The Picnickers Returned Home at an Early Hour Today—The Programme Enjoyed.

Yesterday's annual outing to Detroit of the Retail Grocers' Association was the most successful ever held. For some weeks the officers of the association have been preparing for the event. The happy throng of excursionists that left the C. P. R. depot yesterday morning at 7:20, was indeed a cosmopolitan crowd. Wholesale and retail men, and friends of the grocers mixed as a happy family. It was really a picnic on wheels, because the committee had supplied every luxury that is enjoyed by picnic parties. One of the best trains in point of equipment that ever took an excursion party from London was furnished by the Canadian Pacific Railway. Fifteen first-class coaches were provided for about 1,000 people. Shortly after leaving London, the members of the committee passed through the cars providing everyone with all kinds of fruit, candies, nuts, and other delicacies, and before arriving at Windsor lunch was also served on the train. Sandwiches and cake by the basketful were consumed by the hungry passengers.

It was expected that fast time would be made on the journey going, but that arch enemy of all engineers, "the hot box," delayed the train after reaching Kent Bridge, and it did not reach Detroit until some time after the scheduled hour. It took two of the large transport boats to ferry his big first-class coaches across the Detroit River. On arriving in Detroit it commenced to rain and a steady downpour continued until after 3:15. It cleared up in time to have the baseball game.

A crowd of about 200 London fans occupied one part of the stands, although the London excursionists could be seen distributed throughout the various parts of the stadium. It was a poor game of ball from a spectator's point of view, Detroit easily vanquishing the St. Louis team, but the brilliant work of the players, and the fact that the Londoners were observed spinning around the streets. Promptly at 8 o'clock the train was ferried across to Windsor. It reached the Windsor depot at 9:05, and arrived in London at 1:30. The hot box was again the cause of the delay.

Shortly before arriving at London, the committee assembled in one of the cars and a vote of thanks was given by Mr. J. I. A. Hunt to the Retail Grocers' Association for such a pleasant day. He stated that the committee had worked hard and deserved the thanks of the excursionists. Mr. Wm. Fulton also replied on behalf of the C. P. R. The train car was composed of Engineer Wm. Kern, Fireman Charles Adams, Mr. John Milne conductor, and Mr. Wiley and G. Griffith, brakemen. Mr. E. J. Ryan, president of the association, Mr. Harry Rankin as treasurer, and Mr. Cyril Hayes as secretary, were voted one of the best committees ever arranged a retail grocers' picnic.

Mr. Wm. Fulton, S. P. R. agent at London, accompanied the excursionists and looked after their welfare.

WHOLESALE PERJURY

Serious Charges Made Against Montreal Fire Department Members.

Montreal, June 24.—Ex-Alderman Ames, M.P., was one of the witnesses at the royal commission today, and his evidence was an example of the favors which are at the disposal of the members of the Montreal city council. Mr. Ames testified that when he was first elected to the city council he was asked by the city council if he desired the valuation of his property for assessment purposes to be reduced, and that he declined the offer, saying that if the valuation was correct for him as a citizen it must also be correct as an alderman.

There seems to be a perfect carnival of perjury going on at the investigation among the members of the fire brigade. In nearly every case where charges have been made evidence diametrically opposed to that given by the witnesses to the charge has been forthcoming.

It would seem from the evidence that middlemen look out in the rural districts below Quebec, who pay for appointments to the fire department. One of the witnesses testified that he had seen one of the men in his parish, which is one of the rural districts below Quebec, were members of the Montreal fire department.

KILLARNEY'S DISASTER

Bodies of Three of the Women Tourists Have Been Recovered.

Killarney, Ireland, June 24.—The bodies of three of the women who lost their lives in the boating accident on Lower Killarney Lake yesterday, have been found by a police searching party on Muckross shore, two miles from where the boat containing the tourists was swamped. The search for the yet been made. The search for the other victims is being prosecuted by a large number of volunteers. The bad weather makes it impossible to conduct dragging operations at present.

BURGLARS' BUSY DAY AT CLASSIC CITY

Stratford, June 23.—A burglar entered the home of J. G. Hess, collector of customs, Mrs. R. W. Hamilton, and ex-Mayor Gordon, at an early hour this morning, and escaped with quite a large haul.

At the Hess residence he took a pair of shoes, tobacco, silver knives, forks and spoons, some keys, bread, ham and a woollen blanket. At Mrs. Hamilton's he secured \$30 in money, and at ex-Mayor Gordon's an overcoat. The Mayor also tried to enter the residence of C. E. Nasmith, but was frightened away before he got in the house. The police were called and a search of the neighborhood was made but no trace of the thief was found.

SPRINGBANK IS NOW POPULAR FOR PICNICS

Large Number of Young People Had a Splendid Time Down the River Yesterday.

Notwithstanding that the heavy rain showers interfered to a certain extent with the programmes and other arrangements, five large picnics were held at Springbank yesterday afternoon, and were thoroughly enjoyed by several hundred people, who were present. The park never looked prettier than it does at the present time, and it makes an ideal place for picnickers.

Dundas Centre Choir.

The choir of Dundas Centre Church had made all arrangements to go to Mr. John White's summer home, about 5 miles northeast of the city, but when they saw the storm coming up, they decided to go to Springbank, so that in case it rained they could take shelter under the pavilion. Upon their arrival the following programme was carried out:

Egg and spoon race—1 C. C. Parsons, 2 Saunders.

Candle race—Won by Miss Florence Line and Mr. Charles Wortman.

Clothesline race—1 Miss Lillian Gilmore, 2 Miss Winnifred Rigby.

Jockey race—Won by George Copeland and Ed. Johnston.

Fifty-yard race for girls—1 Miss R. Rigby, 2 Miss L. Gilmore.

Needle-and-thread race—1 Miss Ethel Allister and W. Saunders, 2 Miss Winnifred Rigby and Mr. W. Latchford.

The 5-yard speed race, in which the contestant had to go 5 yards without stopping, the last to finish being the winner, was won by Miss Ollie Suhr, with Miss Ethel Allister second, and C. Parsons third.

When the storm came up the remaining races had to be cancelled, and an adjournment was made to the pavilion, where supper was served.

The committee in charge of the arrangements was Mrs. W. Wardell Allister, Miss Margaret Ollie and Carrie Suhr, and Messrs. J. S. Walker and E. Johnston.

Askin Street Church.

The members of Askin Street Epworth League went down to the park after 5 o'clock, and after having supper at the pavilion, held the following programme of sports until dark:

50-yard race for girls—1 Miss Orchard, 2 Miss Allport, 3 Miss Ruth West.

100-yard dash—1 John Reynolds, 2 R. Thompson, 3 B. Allerston.

Blind pig race—1 J. Stewart and Miss Simpson, 2 E. Graves and Miss Jarvis, 3 R. Baker and Miss Jarvis.

Jack races—1 John Reynolds and Bert Allerston, 2 J. Chapman and J. Stewart, 3 C. Rowntree and R. C. Lyons.

Christian Church.

Nearly 100 members of the Bible school of the Christian Church, at the corner of Dundas and Elizabeth streets, went down to Springbank early in the afternoon, and before the rain came they succeeded in running off a couple of races.

Girls' race—1 Lydia Torrence, 2 Ila Churchill, 3 Nellie Taylor.

Boys' race—1 Alfred Taylor, 2 Allan Rigby, 3 Harry Baker.

The picnic was in charge of a committee of which Mrs. King was convener.

Empress Avenue Methodist Church.

The members of Unity Ladies' Adult Bible Class of Empress Avenue Methodist Church, held a picnic at Springbank, but owing to the shower had to cancel their entire programme of sports. Supper, however, was served in the pavilion, and a very enjoyable time was spent.

The committee in charge of the arrangements consisted of Misses Dewey, Robinson, Daniels, Mitchell, McWaters, McLeod and Neely. Miss Scott is teacher of the class, and Mrs. Dyer, president.

BANK CLEARINGS SHOW INCREASE

JOIN WHITE PLAGE ARMY.

Syracuse, N. Y., June 23.—The International Boot and Shoe Workers, in order to bring about a general strike, are urging all affiliated local bodies to assist in the general campaign against the spread of tuberculosis in this country, and to refuse to work for the shoe industry.

In the general campaign against the spread of tuberculosis in this country, and to refuse to work for the shoe industry, the shoe workers are urged to join the White Plague Army.

Not given in making contracts for the United States army and navy shoes. The convention after a long argument, turned down a resolution to amend the union stamp contract, to provide that there shall be no unfair or prison-made findings used in making shoes under the stamp contract with manufacturers. It was decided that such a resolution was inexpedient at this time.

CHAMPLAIN CELEBRATION.

Washington, June 24.—Announcement probably will be made at the state department today or tomorrow of the person selected to represent the United States at the centenary celebration at Lake Champlain. Congress authorized the department of state to invite Great Britain and France to send representatives to the celebration of the discovery of Lake Champlain by Samuel De Champlain, and he held in the early part of next month. The British Government responded that Ambassador and Mrs. Bryce, together with a number of prominent Canadian officials, will attend. France will send Ambassador Jusserand. He will be accompanied by Mme. Jusserand.

It is for the purpose of receiving the dignitaries that a representative of the state department will be sent. Entertainment of the foreign guests will be provided by the United States, the appropriation of \$20,000 having been made for that purpose.

BETTING AT HAMILTON.

Toronto, June 23.—Provincial Detective Greer was in Hamilton yesterday looking into the bookmaking method employed at the races there. No information have been laid, the arrangements being apparently satisfactory.

POLICE OFFICIALS WILL HOLD A CONVENTION

Monster Gathering Will Take Place at Niagara Falls on July 29th.

On the 29th of July there will be a monster convention of police officials held at Niagara Falls, where men from all parts of the Dominion will convene to discuss such subjects as how to handle criminals, the detection of crime, how to treat juvenile criminals, and matters of a kindred nature, that tends to add to the efficiency of the police forces of Canada. The chief of police from Montreal, Toronto, Winnipeg, and other large centres will be present, and the gathering will be one of unusual interest and importance. A circular has been sent out by Inspector Stark, urging upon the police boards, county councils and other similar organizations to send men to the convention, and it is hoped that many of these organizations will see their way clear to make some of their men members of the Constables' Association in order that they may attend.

The only men in London who are members of the association are Chief of Police Williams and High Constable Hughes. Both expect to be present at the gathering.

LONDON PASTORS WERE HIGHLY COMPLIMENTED

Resolution Presented Them a Luncheon Tendered Yesterday to Revs. Rutledge and Lancelley.

At the complimentary banquet tendered to Rev. Dr. Rutledge and Rev. E. B. Lancelley yesterday afternoon both the gentlemen were presented with complimentary resolutions expressing the esteem of their brothers of the ministry. Rev. Mr. Lancelley's resolution came from the Lord's Day Alliance, of which organization he has been the secretary for some time.

The resolution to Rev. Dr. Rutledge was from the Ministerial Association of the city. Rev. D. S. Hamilton and Rev. T. H. Mitchell were the committee appointed to draw up the resolution to Dr. Rutledge, and owing to the absence of Mr. Hamilton from the city it was impossible to get this resolution, but will be published at a future date.

The high esteem in which Mr. Lancelley is held by his own denomination is seen in the fact that the pastorate he is now closing is the fourth term filled by him in London churches. Two of these terms, covering a period of eight years, have been spent in the Dundas Centre Church, which he is now leaving.

He has been the cordial confidence and esteem of his brethren in the ministry and the people of other denominations, and has proved himself the most valuable member of the Ministerial Alliance, furnishing able and interesting papers from time to time, and by cheerfully contributing to the cause of the ministry.

As a citizen, Mr. Lancelley has taken a deep interest in all that tends to promote the social and moral well-being of the community, and especially as secretary of the Lord's Day Alliance has he rendered invaluable service to the cause of morality and Sabbath preservation. We assure Mr. Lancelley that the function held in his honor today is but a slight token of our cordial appreciation of what his services have meant to the city in which he has spent fourteen years of his ministry. And we assure him as he goes to settle in the city of Hamilton, that he carries with him the brotherly affection of his brethren who have enjoyed his fellowship in the ministry, and the esteem of a host of citizens who will gratefully remember his persevering efforts for the religious and moral welfare of the community, and his earnest endeavors to bring about a better life in his parish.

In conclusion, we would assure Brother Lancelley of the prayers and best wishes of all that the Divine blessing may rest richly on his labors in his new charge.

CAPT. CULVER DEAD

Served on Dispatch Boat During the Spanish-American War.

Bolonia, June 24.—Jorge Holguin, president-designate of Colombia since the departure of Gen. Rafael Reyes, issued two important decrees yesterday. One reduced the diplomatic and consular service of the republic to two legations in Europe, and two on the American continent, and a total of eight consulates; while the other revokes the sentences of exile against all Colombians, who have been banished from the country for political reasons.

The various economies decreed by President Holguin reduce the expenses of the Government by \$8,000,000 a year, and his course has met with warm approval.

SENTENCES REVOKED

President-Elect of Colombia Issues an Amnesty Decree.

Washington, June 24.—Capt. Abraham E. Culver, of the United States navy, died suddenly in this city yesterday evening, aged 53 years. Later he commanded the gunboat Hancock, served as a member of the board on changes at the navy yard in New York, then commanded the gunboat Des Moines, and his last duty was that of aide to the assistant secretary of the navy, which he relinquished last January. At the time of his death Capt. Culver was on leave of absence.

MANY MILLIONS LOST TO UNCLE SAM'S TREASURY

Because of Failure to Order Change in Size of Tobacco Packages.

Washington, June 24.—Declaring that the American Tobacco Company had been the recipient of many millions of dollars, which otherwise would have gone into the national treasury, because of the failure of the Government to require a change in the size of tobacco packages when the anti-revenue law was repealed, Senator Beveridge today spoke at length in support of his amendment to the tariff bill, correcting this omission. He declared that adoption of his amendment would give the Government more than \$21,000,000 of revenue "when," he said, "the tariff came from the House to the Senate, it increased the tax on cigarettes—a poor miserable increase, and the finance committee of the Senate actually has struck out this little increase on cigarettes."

Mr. Beveridge asserted that the American tax on tobacco is only a fraction of the tax of most other civilized nations. Stating that the annual consumption of tobacco in this country amounts to five and a half pounds for every man, woman and child, he added, that if we taxed tobacco at the rate of 10 cents a pound by England and France, the United States would every year derive \$333,386,666, instead of less than \$50,000,000 at present. Furthermore, he asserted that the tax on cigarettes is now lower than at any previous time except for a few years prior to 1898.

Mr. Beveridge declared that the greater proportion of the proposed amendment would fall on the cigarette, which he declared, is bitterly resisting the adoption of his amendment.

HOURLY RUMORS OF LEON LING'S CAPTURE

But the Whereabouts of Elsie Sigel's Slayer Remains a Mystery

New York, June 24.—Rumors and conjectures as to the whereabouts of Leon Ling, the Chinaman who is sought by the detectives in charge of the Elsie Sigel case, continued in abundance today. There was also a fresh crop of theories as to the motives which had prompted the crime, and as to the exact manner of its commission, but in spite of almost hourly rumors, the advance state of the case of the United States there was nothing tangible upon which to base a clue of use in tracing down the murderer. While District Attorney J. D. Anderson considers this case extremely simple there are many who look upon it as one of the most mysterious ever brought to light.

In view of the advanced state of decomposition of the body when found precluded any autopsy or examination to show the cause of death. The body was found in a box, and the girl had died from an overdose of chloroform administered by Leon, could not be confirmed, as the handkerchief of Ling, Chinaman, who declares he saw over her mouth, has disappeared.

The finding of the two letters written by Chu Gain to the girl, who is regarded as his rival in the affection of the Sigel girl, in which Leon threatens the life of both Chu Gain and the young woman, is the most evidence obtainable as yet to show the motive of the case.

Both letters, which are in Chinese, and signed "Chung Sing," were taken to the house of detention today, and shown to Chung Sing, Leon's former roommate, and readily identified by him as having been written by the fugitive.

The actual text of these letters has not been revealed, but it is known that the discovery of the letters was a violent deed unless he discontinues his attentions to Miss Sigel.

Chu Gain has also said that his own brother brought him oral warning, emanating from Leon, to cease his visits at the Sigel home, and that on one occasion when he called at the house of the young woman, Leon, who was already there, left the house in a passion.

BIG HOTEL FIRE

A Noted Hostelry on Lake George Partially Destroyed.

Lake George, June 24.—The main building of the Port William Hotel, which was destroyed by fire early this morning, entailing a loss estimated at \$250,000, and covered by about \$150,000 insurance.

Fortunately there were no guests in the hotel, which was to formally open for the season June 27. The surrounding structures were saved, the fire being confined to the main building.

The fire apparently started from some unknown cause, in the servants' quarters under the dining-room and spread rapidly. When it was seen that the building was doomed, efforts were directed to saving the surrounding buildings. The building destroyed was being remodelled at a cost of \$30,000.

The Port William Hotel was originally built in 1856, but with the Delaware and Hudson Company, was destroyed by fire early this morning, entailing a loss estimated at \$250,000, and covered by about \$150,000 insurance.

The hotel accommodates about five hundred guests, and was handsomely furnished.

CORPORATION TAX AROUSES ANTAGONISM

Uncle Sam's Strongest Trusts to Fight the Proposed Law.

Washington, June 24.—The Republican managers of the Senate committee on finance today began the formal consideration of the proposed corporation tax amendment to the tariff bill.

The bill went into session in the rear apartment of the committee rooms and for several hours were closed with Senator Root in consultation with the various features of the amendment as drawn by Mr. Root and Attorney-General Wyckersham. Unquestionably the provision will be accepted substantially as prepared by those gentlemen, but some of the members of the committee have made suggestions looking to slight changes, with a view to making the amendment as impervious to attack as possible in case it should become a law. The fact has already become known to the corporations in the country will not only antagonize the provision before it goes on to the statute books, but will throw it in case it should be successful as become a law. It was not believed by those who participated in the morning session of the committee that the work would be completed today and it was therefore considered probable that the provision would be withheld from the Senate until tomorrow or Saturday.

Night sessions will probably be resorted to when the amendment is taken up for consideration by the Senate.
