Farrell Tells of Trusts Methods

President of Steel Company Has Been on Stand Four Days.

[Canadian Press.] New York, May 15.—James A. Farrell, president of the United States perior, mdse.; P. P. Miller, Escanaba, Steel Corporation, began today his ore. Cleared: Annabelle Wilson, Port fourth consecutive day of testimony as Colborne, coal; Maruba, Cleveland, light; Juniata, Superior, light; Rock ernment's dissolution suit against the corporation as an illegal combination.

He continued his description of comectitors of the corporation to support his contention that these concerns have grown greatly since the organization the corporation in 1901. The cororation, according to an exhibit submitted by the witness, owns only 27. Duluth; Andrews, Upson, Port Arthur, per cent of the steel iron bar capacity f the country as against 72.7 per cent wn by independent concerns. Answering the charge that the Ten-

nessee Coal and Iron Company was taken over by the corporation, not to stop the financial panic of 1907, but ecause it was a dangerous competior, the witness declared that the comoany was in a position to produce rails economically, and testified that had never competed with the corporation for foreign business. He exlained that the rails which the comany sold to the Harriman lines cost 3.45 a ton more to manufacture than he price for which they were sold. Some of the rails sold by the company were defective, he said, and had

be taken back. The Tennessee Coal and Iron empany was not a competitor of the orthern mills," said Mr. Farrell. "Its production of rails was insufficient to make an impression on the northern
