London is lucky in the list published to-day.

EIGHT MORE FROM CITY OF BRANTFORD

(Special to The Advertiser.)
BRANTFORD, May 6.—Five more members of the 38th Dufferin Rifles were privately reported tonight in messages from the adjutant-general as wounded.

This brings the list for today up to eight.

Those reported tonight are:

Pte. Arthur Teague, of 23 Brock avenue. He is a single man and lived with his mother, Pte. Joseph Robinson, 125 Cayuga street. Sergt. C. Roy Hamilton, of Eagle Place. Pte. H. Millar, 182 West Mill street. Pte. Edward Hooper, employed at the Massey-Harris plant, and Pte. D. J. Durand, 84 Strathcona street.

Local casualties which came to light during today's fighting were of Pte. William Hawke and Pte. William Duprey. Hawke is 20 years of age and was wounded in the foot while out on a scouting expedition in Northern France. He now lies in Boulogne Hospital. His only relatives here are his uncle and aunt, who brought him up from infancy. They reside on Park street north. Hawke was for eight years a Boy Scout, and later joined the Dufferin Rifles, leaving with the first contingent.

Pte. William Duprey was killed in the Langemark encounter. He was a well-known local boy, who worked for several years in the office of the Pratt & Letchworth Company, and left immediately upon the outbreak of hostilities for Montreal, where he joined the 14th Rifles.

Pte. Duprey was only 22 years of age, and leaves his parents to mourn, in Sydney, N. S.

Two Indian families, on the Reserve, by names of Jamieson and Thomas, have received notification of casualties, one of the wounded men leaving with the Queen's Own Rifles, and the other with the St. Catharines artillery.

FIVE STRATFORD MEN INCREASES PERTH LIST

(Special to The Advertiser.)
STRATFORD, May 6.—Five more Stratford soldiers have been officially reported wounded. They are Sergt. John Collins, Ptes. Daniel Stoyte, George McDonald, Alex. McAuley and Corp. Geo. Christie.

Sergt. Collins, Ptes. Christie and McAuley are all natives of Glasgow, Scotland, and all formerly boarded

with Mrs. W. Bottrell. The two former enlisted at Stratford, while the latter left here last April to join the Regina Mounted Police. Later he joined the colors. He was eighteen years of age.

Sergt. Collins, who was 24 years of age, had been color sergeant in the 25th Regiment prior to enlisting. He was a bench hand by trade and was employed at McLagan's.

Pte. Christie had been in the city only a few months, having come direct from Scotland. He was a laborer and has a wife and family residing in Glasgow.

Pte. McDonald is a native of Strathgairn, Scotland, and while in the city boarded with Mrs. Parker, Ontario street. He was previously reported in Cliveden Hospital, although his name appeared in the casualty list only "day."

Pte. Stoyte is a native of Charlbury, Eng., where his mother died only a few hours after his arrival after obtaining leave from the big camp at Salisbury. He was employed in the Grand Trunk shops during the two years he was in the city. He was 32 years of age and unmarried.

Pte. McMeekin, of Hamilton, reported unofficially to have died of his wounds, enlisted at Stratford, where he was employed as an upholsterer. His sister resides in Hamilton, she being the next of kin.

PARIS' THIRD MAN A BOER VETERAN

(Special to The Advertiser.)

FRANCE REQUISITIONS ALL WHEAT STOCKS

Supply is sufficient, But Move Prevents Inflation of Prices.

(Canadian Press.)
Paris, May 7.—Announcement was made yesterday to the budget committee of the Chamber of Deputies by Premier Viviani and Minister of Commerce Thomson that the Government intended to requisition all existing stocks of wheat, which will be resold throughout France at a fixed price. The ministers explained that the wheat supply was more than adequate to meet the requirements of the civil population, but to prevent speculation and the artificial inflation of price of bread. Wheat is now being sold in France, it was asserted, considerably more cheaply than in any other country in Europe. The measure proposed by the Government is expected to have the effect of maintaining the existing low price, and making it uniform throughout the country.
